A.U.I. ANNOUNCES NEW APPOINTMENTS

Associated Universities, Inc. has announced five appointments made at the annual meeting of the Board of Trustees on October 18. Mr. LaRoy B. Thompson, Vice President of the University of Rochester, succeeds Dr. I.I. Rabi of Columbia University as Chairman of the Board; and Mr. Edward Reynolds, formerly Administrative Vice President of Harvard University, was re-elected President of the Corporation. Mr. Reynolds has served in that capacity since last July as replacement for Dr. Gerald F. Tape, who was appointed by the White House to the U.S. Atomic Energy Commission.

Three new members were elected to the A.U.I. Board of Trustees, as follows: Dr. Franklin A. Long and Dr. Boyce D. McDaniel of Cornell University, with their terms to expire in October 1965 and 1966, respectively; and Dr. Richard H. Chamberlain of the University of Pennsylvania, whose term will expire in October 1964.

VISITORS' DAYS NOTE OF THANKS

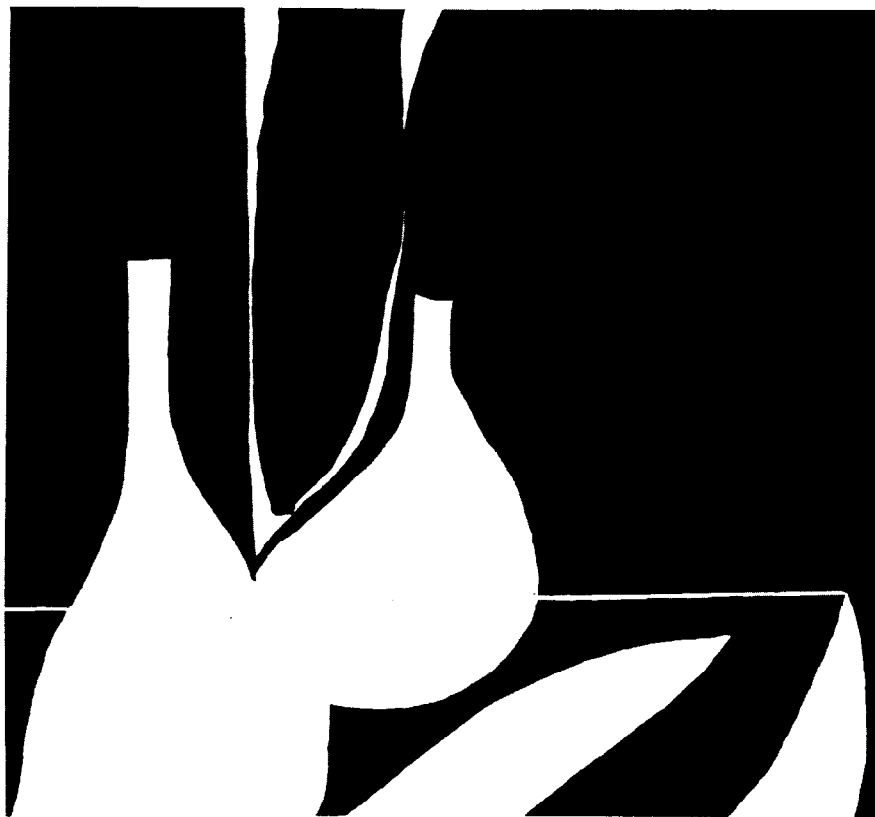

To the staff:

Once again the Laboratory has successfully held Open House on three Visitors' Days. A record attendance of over 9,000 for the general public Visitors' Day on October 19; over 1,000 for the College Visitors' Day on October 25; and over 5,000 for the High School Visitors' Day on October 26, was recorded. These three days are the only opportunity for the public to see for themselves the complex structure of BNL. The importance of the impression received by these visitors cannot be over-estimated.

The success of Visitors' Days was made possible by the efforts of the numerous Laboratory employees whose courtesy and helpfulness is reflected in the many letters received from appreciative visitors. The improving quality of the exhibits from year to year shows the time and effort devoted to them. We wish to thank all those on the staff who so conscientiously took part in this important task.

MAURICE GOLDBABER, Director

FIFTH ANNUAL BERA ART EXHIBIT OPENS THURSDAY EVENING, NOV. 7

Richard tum Suden's "The Ribbon."

Works of art by twelve contemporary artists, on loan from the Tibor de Nagy Gallery of New York, will make up the fifth annual BERA art show opening in the Exhibit Hall on Thursday evening, November 7. Several trends in modern art will be represented: the conservatively representational in the works of Fairfield Porter and Jane Wilson; the starkly abstract in the paintings of Richard tum Suden and Robert Goodnough; some examples of the "extension" paintings in the works of Red Grooms; and two paintings by Larry Rivers, perhaps the best known of the exhibiting group, whose characteristic style is so difficult to define. Sondra Beal is herself coming to the Laboratory to assemble and supervise the hanging of her large wall sculpture. Making up the remainder of the list of artists in the showing are Fritz Bultman, Peter Forakis, Jane Freilicher, Ron Gorchov, and Robert Richenburg.

The opening party on November 7 will run from 7:30 p.m. to 11:00 p.m. so that those who will be attending the BERA movie that evening may also visit the exhibit either before or after the film showing.

The Art Exhibit will be open on weekdays through Friday, November 15, with hours from 11:00 a.m. to 5:00 p.m. It will also be open two additional evenings, Friday, November 8 and Thursday, November 14, from 8:00 p.m. until 10:00 p.m.

**BERA FILM SERIES
POTEMKIN**

SERGEI EISENSTEIN, Director

Thursday, Oct. 31 - 8:30 p.m. - Lecture Hall

"Potemkin" is universally considered to be one of the most important films in the history of the silent cinema and is regarded by many as the greatest work Eisenstein produced. It brought to the attention of the world a powerful display of Eisenstein's theories of cinema art: his emphasis on montage, his stress of intellectual contact, and his treatment of the mass instead of the individual as protagonist. "Potemkin" is based on an incident which occurred on the ship, Prince Potemkin, during the 1905 uprising. The sailors themselves and the people of Odessa were used as actors.

**ALSO:
CHRISTMAS SLIPPERS**

Produced in the U.S.S.R., "Christmas Slippers" is comprised of excerpts from the operetta "Cherevichki" by Tchaikovsky. One of the finest operatic shorts ever produced, it is a folktale about Vakula the Blacksmith who is told by Oxana that she will marry him only if he brings her the most beautiful pair of slippers in the world. The production is exceptionally lavish and complete for a short film; sound recording is excellent.

**LAST CHANCE
FOR SWIM CLASSES**

Friday, November 1, is the deadline for signing up for our seven-week program of swimming instruction.

Children's classes begin Friday, November 8, from 6:30 to 7:30 p.m.

Adults' classes begin Wednesday, November 6, from 6:00 to 7:00 p.m.

Registrations (\$4.00 fee) are accepted at the Recreation Office, 3 Center Street.

BOOKS

**NEW HOMES FOR UNWANTED
TECHNICAL BOOKS & JOURNALS**

Staff members owning unwanted books and journals in all areas of science and engineering are invited to donate them to a worthy cause. The Engineers and Scientists Committee of the President's People-to-People Program is a volunteer group collecting such material and distributing it to universities and libraries in the developing countries of the Balkans, the Near and Middle East, and Latin America. Since its inception in 1958, this Committee, with the cooperation of the American Friends of the Middle East, USIA, and CARE, has been responsible for the donation of many tons of technical literature to areas where it is most desperately needed.

In the belief that many BNL employees would be pleased to have their personal collections of technical publications, when no longer useful to them, passed on to those who need them, an on-site collecting agency is being established.

It should be mentioned that the donor can take, as a tax deduction, the fair market value of anything he donates to the Program, or any expenses connected therewith. Another point of interest is that each contributed book bears a bookplate with the donor's name.

Those wishing to donate suitable material to this worthwhile effort are invited to contact D. Puleston (Ext. 2329) or J. Binnington (Ext. 2294), to arrange for collection.

REVISED TELEPHONE DIRECTORY

A list of additions, deletions and changes for the revision of the BNL telephone directory has been distributed to all departments for review. Employees who have changed their telephone listing should clear this information through their department administrative office prior to November 6 to insure that the correct listing will appear in the new directory. The Communications Group will accept no changes after Nov. 8.

**RECREATION BUILDING
LIBRARY ESTABLISHED**

Arrangements have been made with the Suffolk Cooperative Library System to establish a library of current fiction, non-fiction and children's books in the Recreation Building on York Lane.

Containing a collection of 200 books, the library will be made available to all employees without charge. Beginning November 4, it will be open Monday through Thursday evenings from 5:00 to 10:30 p.m. for adult borrowers. Children's hours are from 5:00 to 6:30 p.m. The number of books will be restricted to two per borrower.

MIXED DOUBLES BOWLING TOURNAMENT TIME AGAIN

Another BNL Mixed Doubles Bowling Tournament is scheduled for 3:00 p.m., on Saturday, November 16, at the Port Jeff Bowl. All new bowlers are welcome. Bring your wives, girlfriends, husbands, boyfriends - mothers-in-law, too! Make it a day to remember. Hurry with your entries: only 64 teams can be accommodated. You don't have to be a league bowler to enter the Tournament. Here are the rules:

1. A team shall consist of two bowlers, one male and one female. At least one member of the team must be a BNL employee (per BERA definition).
2. The tournament shall consist of three games per bowler, bowled across six lanes.
3. Handicap (per bowler per game) shall be arrived at by using the standard BNL bowling rule which is 80% of the difference between the bowler's average and 200.
 - a. Bowlers in BNL leagues last year use final BNL average.
 - b. Bowlers in BNL leagues for the first time this season use BNL average as of 10/23/63. Bowlers must have bowled at least twelve games to use this average.
 - c. Bowlers not in BNL leagues this season or last, but who bowl in other leagues this season, use highest current sanctioned average as of 10/23/63. Summer league averages will not be accepted.
 - d. All others use score of first game for first game average; use scores of first two games divided by 2 for second game average; use scores of first three games divided by 3 for third game average.
 - e. Maximum handicap allowed per game for men is 70 pins; there is no maximum handicap for ladies.
4. Prizes will be based on scores plus handicaps and awards given as follows
 - First Place Team** - Two trophies and certificates for two custom-fitted bowling balls. (Team High Gross Series).
 - Second Place Team** - Two trophies.
 - Third Place Team** - Two trophies.
 - Ladies' Individual High Gross Game** - One trophy.
 - Men's Individual High Gross Game** - One trophy.

The above prizes are guaranteed for the minimum number of tournament entries (30). Additional prizes will be awarded based on the number of entries in excess of 30, e.g., fourth and fifth place teams, second place ladies' and men's individual games. No ABC or WIBC prizes!
5. Team entry fee, including cost of bowling, is \$5.00. Entry blank and fee must be presented at the Recreation Office not later than 3:00 p.m. on Friday, November 8. No entries will be accepted after the first 64 have been received. The fee is non-refundable; only in the event that the minimum number of entries is not reached will the fee be refunded and the tournament called off. Teams not present and ready to bowl at the start of the tournament will forfeit the team fee.
6. The rules of the American Bowling Congress are adopted for this tournament except as otherwise stated herein.
7. Decisions of the tournament committee (G. Sabine, D. Stelmaschuk, E. Egler) will be final.
8. Matchmaker Service: E. Egler, Ext. 2346, or G. Fales, Ext. 2164.
