BERA FILM SERIES CLEO FROM 5 TO 7

Thursday, Dec. 5, 8:30 p.m., Lecture Hall

"Cleo" is Agnes Varda's first feature film, although because of her earlier short subjects, she is generally regarded as the precursor of France's "New Wave." Alain Resnais was the editor on her first short film.

The story is that of a glamorous young girl, primarily interested in luxury and pleasure, and 90 minutes of her life - the period between her visit to a fortune teller and the time she is scheduled to meet her doctor to hear the results of some extensive medical tests. In this brief period, faced with the possibility of an incurable cancer, Cleo awakens to the realities of life. Every sight and sound suddenly take on new meanings. The difficult task of bringing this emotion through to the audience is magnificently handled by director Varda and accented by some sparkling photography.

"I have rarely felt more sure of being right: Cleo From 5 to 7 is a masterpiece." —LES ARTS, Paris

"The camera sees a lot and tells us a lot from an unusual variety of viewpoints. The writing and editing stimulate without confusing . . . it should also be said that its many strengths make it a film worth seeing." —HERALD TRIBUNE

BERA PRESENTS THE CLARION WIND QUINTET

Thursday - December 12 - 8:30 p.m.

THE BROOKHAVEN CENTER

The second concert of the 1963-64 BERA Concert Series will be presented on December 12 by the Clarion Wind Quintet. The Quintet is comprised of Philip Dunigan, flute; Henry Schuman, oboe; Robert Listokin, clarinet; Howard Hillyer, horn; and Maril Popkin, bassoon.

In the spring of 1961, five American musicians, long associated in various orchestra and chamber groups, came together to form the Clarion Wind Quintet. All are now members of the Clarion Orchestra, and their first concerts were given under the auspices of the Clarion Music Society. They have gained a wide reputation as splendid performers of an extensive repertoire ranging from Mozart and Beethoven to choice modern compositions by Carl Nielsen, Samuel Barber, Wallingford Riegger, Elliot Carter and others. They also perform some outstanding chamber music for wind instruments with piano, and such rarely heard classics as Mozart's Symphonie Concertante for four wind instruments and orchestra. Their current activities include, beside regular concerts, a special series of broadcasts over the Pacifica Foundation's station WBAI/fm.

Adults \$3.00

Children (under 18) \$1.50

Guests \$3.50

DANGER — SNOW AHEAD!

Up to now, the weather has been fine, but that old devil winter is surely coming. Now's the time to get those snow tires and check the anti-freeze.

Remember that winter driving means keeping speed down! Each driver must judge for himself the safe speeds for various streets, roads, and highways, depending on their condition. When conditions are hazardous, each driver must decide whether the roads are safe enough for **him** to drive.

BNL telephone operators also request that non-essential outside personal telephone calls not be made during an early closing or in any emergency. Such calls jam all outside lines and prevent essential messages from getting either in or out of the Laboratory.

THIRTY-SECOND BROOKHAVEN LECTURE

UPTON RIFLE AND PISTOL CLUB

After trouncing IBM 717 to 590 on October 29, the Upton Rifle Club met and defeated Sperry Instrument 738 to 649 for their fifth consecutive win. The action took place at the United States Merchant Marine Academy on November 21. Highlighting the shooting was Roy Domish's 189, followed by Judd Diener with 186; Ed Hart, 182; Al Lukas, 181; Pete Fallon, 175; and Tony Finocchio, 168. High man for Sperry was G. Terry with a 167.

Upton is now in second place in the ten-team Long Island Industrial League, with five wins and one loss. Plans are now afoot for entering team and individual competitors in the Eleventh Annual New York Gallery Rifle Tournament to be held at the Merchant Marine Academy. Any BNL sharpshooter wishing to participate should contact P. Colombo or A. Lukas.

ATTENTION BNL ARTISTS

Almost two years ago, the first exhibition of the artistic efforts of BERA members was held here. This art exhibit was universally acclaimed an outstanding success, and the time has now arrived for the planning of a repeat performance. Tentatively, a week in February 1964 has been selected for the second BERA art show. More details will be published in the BULLETIN BOARD later, but in the meantime, now is the time to be creating some good pieces for exhibit.

"A THURBER CARNIVAL" TRYOUTS

The Theatre Group will present "A Thurber Carnival" in February. This whimsical revue of James Thurber skits can be cast with many actors, each one handling a separate skit, or with members of a smaller cast appearing in several different parts. There is room in the production for practically everyone who wants to be on stage.

Tony Nappi, the director, has called tryout sessions for Monday and Tuesday evenings, December 9 and 10. The sessions will be held in the Theatre beginning promptly at 7:30. For those who cannot make it either of these nights, an additional meeting will be held at 12 noon on Wednesday, December 11.

CHESS PROBLEM

In this week's problem, it is White's move and mate in two. Notice that the problem has three homogeneous pairs. Answer elsewhere in this week's BULLETIN BOARD.

SKI CLUB FINALE?

For several years now we've had what most would call an "active" Ski Club. We thought this year would be no different, or - if different - more active. So our ringleaders planned winter meetings with excellent films, and drew up tentative trip and instruction plans for action by the membership.

However, after two meetings it looks like we have no membership, with attendance at an all time low. Where have you been? Remember, this is your activity - a club activity - not a travel information service run by a few individuals. We're going to give it one last try this year. If you want to be part of a "Ski Club Activity" come out at **7:00 p.m. - Thursday, December 12** to the Recreation Building. Bring your ideas and your enthusiasm. If you can't possibly make it the 12th, call Don Gardner, Ext. 2516, and express your interest.

PERSONNEL SERVICES

Recreation Office - 3 Center Street
9:00 a.m. - 1:00 p.m.

Discount coupons are now available for the "Ice Follies of 1964," playing at Madison Square Garden. This coupon is good for the evening shows only on January 7, 8, 9, 13, 14, 15 and 19. Discount prices are \$4.00, \$3.50 and \$2.90.

New York Knickerbocker Basketball discount coupons are available. This ticket is good for the games being played on January 4, 25, 28, February 1, 8, 18, and 23. Discount prices are \$3.50 and \$1.75.

FENCING CLUB

The Fencing Club continues to meet every Tuesday evening from 5:00 to 7:00 p.m. in the table tennis room of the Gymnasium. All are welcome and no previous experience is necessary - instruction and equipment are available in all three weapons.

Our congratulations go to Peter Townsend, who won the Long Island "B" epee competition. The tournament ended in an exciting climax when Isakoff of Brooklyn College defeated Townsend 5-0 and forced a fight-off for first place. Townsend was unperurbed and defeated the Brooklyn contestant 5-3.

FOLK DANCING EVERY MONDAY EVENING

Come on out and give it a try! There is folk dancing every Monday evening from 8:00 p.m. to 11:00 p.m. at the Recreation Building on York Lane in the Apartment Area.

TEN PIN ALLEY

by **BOB CARCIELLO**

As of November 22:

The Green League's Blackbirds are bringing pressure to bear on the Old Timers III as they are tied for first place, each with a 43-20 record. R. Adams of the Old Timers III has the high average of the League, sporting a 172. H. Frei, his teammate, is in the 666 club with a high gross of 691. Blackbirds' F. Garafola holds the League lead in high gross game series with a 697. J. Lucas of the Reefers just made the club by rolling a 666 gross series. Nothing like being precise!

Over in the Pink League, the Odds & Ends are still out in front. The Diamonds, who not too long ago were close behind the League leaders, have slipped to third place. With a 43-27 season record, the All Toes now occupy the second slot. If anyone is interested, A. Bangel of the diamonds will hold special classes for fancy footwork at the foul line!

Sporting a 41-22 record, the Bloopers lead the Rose League. The Bowlerettes and the Medigals are tied for last place. (The Meds never had it so good!) The high team gross series of 2446 is held by the Medigals.

SOLUTION TO CHESS

Queen to King two is the key.

If Black:

1. P x Q

1. Pawn to Bishop three, Mate

If Black:
