AEC'S NEW YORK OPERATIONS OFFICE APPOINTS NEW MANAGER

A.R. Luedecke, General Manager of the Atomic Energy Commission, announced on Friday, January 10, the appointment of Wesley M. Johnson as Manager of the Commission's New York Operations Office. The appointment is effective January 19, 1964.

Mr. Johnson has served in a number of administrative positions with the Commission over the past seventeen years and has been an employee of the New York Operations Office since 1957. He succeeds Joseph C. Clarke, who is retiring from government service after forty years of Federal service with the AEC and the U.S. Army Corps of Engineers.

SNOWSTORM POSTPONES THE LYRIC TRIO CONCERT

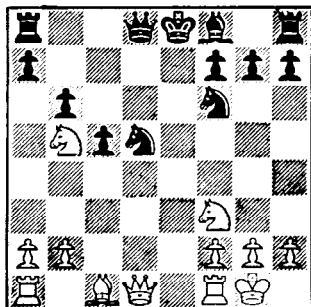

Due to the Snowstorm, the Lyric Trio Concert, originally scheduled for January 14, has been postponed until Tuesday, January 21.

BULLETIN BOARD NOTICE

For all future BULLETIN BOARD questions, please contact Janet Whitehead or Marianne Clasen at the Personnel Office, Ext. 2109 or 2513.

CHESS PROBLEM

In this week's problem it is White's move and win. Black is a pawn ahead but has failed to castle.

SPECIAL CAMERA CLUB LECTURE ON JANUARY 16

On Thursday evening, January 16, the Brookhaven Camera Club will meet at 8:00 p.m. in the Recreation Hall. A representative of Photographs Unlimited, New York City, will present an illustrated talk entitled, "Selling Your Photographs." This talk should interest anyone with access to a camera, so let's have a good turnout. Everyone is invited to attend.

ALIEN ADDRESS REGISTRATION

During January of each year, every alien in the United States must report his address to the Commissioner of the Immigration and Naturalization Service. Alien address report forms are available at the U.S. Post Office, Upton, 2 Center Street.

JUNIOR LIFE SAVING CLASS

Registration is now being accepted at the Recreation Office for children (ages 12 to 15) of employees interested in joining our Junior Life Saving course which will be given at the Pool on Monday evenings at 6:00 p.m. beginning February 3.

Red Cross certificates will be presented to those who meet the necessary qualifications at the conclusion of the lessons. Each lesson will be one and one-half hours long and the class will meet once a week for a twelve-week period. Registration fee for the entire course is \$8.50 per student. An American Red Cross Junior Life Saving Manual (cost included in fee) will be distributed to each class member.

Obviously, a certain degree of swimming proficiency is required to be eligible for the course. The minimum requirement is ability to swim 75 yards in reasonably good style.

The first session on February 3 will be devoted to qualifying tests. Should a student fail to meet the necessary standards, his registration fee will be refunded.

Since the size of the class will be limited, please register early. Applications must be accompanied by the \$8.50 fee. (Make checks payable to B.E.R.A.)

The registration deadline is January 24 (or sooner, if maximum is reached).

LAST WEEK FOR ART SHOW ENTRIES

Registration for the BNL Employees' Art Show, to open on February 11, will continue through this week only. The submission of entries has been good to date, but we know there are other talented employees who would like to join the show.

All types of hand-made art may be submitted for exhibit. This includes drawings, paintings, sculpture, ceramics, metal work, etc., but not photographs and other works of art produced by mechanical means. Pictures should be framed and ready for hanging. Employees and members of their immediate families who live with them may exhibit. The work of children will be accepted if, and only if, it constitutes a serious effort. We ask that parents use discrimination in submitting such exhibits.

Because the number of exhibitors is likely to be large, the number of objects accepted from each person will probably have to be limited. However, the necessity for such a restriction cannot be known until after all the registrations are in. Therefore, enter all the items you would like to show, and the committee will make such selections as the available space permits. The application blank is on page 2.

WHOSE DANCE?

The last department to present a Lab-wide BERA dance was Supply and Materiel. Now the question's being asked, "When's the next dance and who's presenting it?" The answer to both parts of the query is, "It's up to you." To have a dance we need a committee to attend to things like entertainment, decorations and publicity. We've found committees from the same group or department function much better and more enthusiastically than a mixed committee. So, for the past two years, departments have been presenting dances. Besides Supply and Materiel, Medical, Bubble Chamber and Instrumentation have done the honors. The money's in the budget, and the time is ripe for a February or March affair.

For additional information, or if you're the department that's "Next," call George Sabine, ext. 391.
