The 1964 BNL Tennis Tournament is scheduled to get underway in the early part of July. Entries are now being accepted for Men's and Ladies' Singles, Men's Doubles, and Mixed Doubles. Simple elimination (one loss and out) will be held in each event, provided enough entries are forthcoming. Participants are scheduled to play one match each week, with the date, time and courts to be mutually agreed upon by the opponents.

The Tournament will officially begin the week of July 13. The **DEADLINE** for entries is **July 9**. A fee of fifty cents per person for each event entered must accompany the registration.

Register now at the Recreation Office.

**BRIDGE NOTICE**

Reminder to bridge players on all levels (Mrs. Guggenheims, unlucky experts, Charles Gorens, and everyone else): there will be a duplicate bridge game on Wednesday, July 1, at 8:00 p.m. in the Recreation Hall. Fractional master points will be awarded to the winners.

Admission is \$.75 per person, and for further information, call either Joel Malament, Ext. 2936, or Sandy Wagner, Ext. 542 or 618.

**CHILDREN'S  
SWIMMING INSTRUCTIONS**

Beginning next week, eight classes of non-swimmers, beginners, intermediates, and swimmers are scheduled to take part in our seven-week instruction program. Postings of dates, times and regulations are in the Swimming Pool and Gymnasium as of July 1. To date, approximately 200 children have been registered.

Children should bring bathing suits, towels and thirty-five cent admission fee. Girls are required to wear bathing caps. Children should not bring watches, rings or other valuables which might be misplaced. If they do bring these items, they should be checked with the lifeguards.

It is suggested that a light lunch be eaten by children no later than noon and that they arrive at the pool no sooner than 12:50 p.m. The lesson should begin at 1:00 p.m., and children will be dismissed at 2:30 p.m. Off-site children must remain in the pool area until picked up by parents. On-site children may leave only to go directly to their apartments.

**FOLK DANCING**

Don't miss out! There is folk dancing every Monday evening at the Recreation Building in the Apartment Area. The time is at 8:15, so come on out and join the fun.

**AROUND THE BASE PADS**

By: Bob Carciello

If anyone had had the Laboratory League in a softball pool last week, they would have won with flying colors. Sixty-five runs crossed home plate and, much to the chagrin of the Bankers, they contributed only nine of those runs in two games. The "Amazin'" Mets crushed the Bankers 29-5, and earlier in the week, the Potsareebies mauled them, 27-4. Steve Lewkowitz banged out two homers and Don Cassidy came through with one four-bagger. Other Pots contributed many doubles and triples towards a very decisive victory. Rain washed out a game scheduled between the Odd Balls and Kludge.

In the National League, the Upton Downers met Pappy's Poopers for the second time this season and, though this was hard-fought like the first, the outcome was reversed: The Downers scored a 10-7 win. The game was well played, though, and when these two teams meet again, it's sure to be another slo-ball treat. The Bubble Boys bubbled over with effervescence as they played twice last week and swept away both games. They defeated the Phou-bars, 11-7, and blanked the Poopers, 4-0. The two losses for Pappy and his Poopers takes them out of first place and puts them into third. Taking over this League lead are the Upton Downers.

For the first time in their illustrious career, the Blue Jays have lost two games in one season. Medical became the heroes of the week by edging the birds 13-11. The victory for the Medics put them in a deadlock with the Jays in the Brookhaven League race. Metallurgy notched another win as they set back Electronics, 13-7.

**POOL NOTICE**

The pool does not open for general admission until 2:30 p.m. daily. Parents bringing children to the Laboratory to swim are requested **not** to do so before 2:15 p.m.

**BERA'S SUMMER FESTIVAL**

Operation Get Together, BERA's summer festival held on site for Brookhaven National Laboratory employees and immediate family members, is in its seventh year. It is planned for your enjoyment and participation.

Your ticket entitles you to enjoy everything available: rides, contests, beer, soda, games, music, etc. Your ticket purchase is the **ONLY** cost to you. Because the price is so small, it could not possibly defray all expenses. The Brookhaven Employees' Recreation Association absorbs the deficit involved.

Again this year, the Committee requests that you **BRING YOUR OWN LUNCH** - just as if you were going on a picnic to the beach. Beer, soda, and dessert-type refreshments will be provided. The Committee has planned a full day of activity: two marching bands, carnival rides, a rock 'n roll group, square dancing, prizes, etc. - everything to insure a completely enjoyable day.

The rest is up to you! Come dressed comfortably and prepare to relax and enjoy yourself. Bring folding chairs, beach umbrella, pitcher, beer mugs, suntan lotion, **AND** a lunch. Enough to last eight hours!

**BOOKMOBILE**

The Bookmobile will **not** visit the site on Friday, July 3. It will be here next on Friday, July 17.

**BERA FILM SERIES**  
**THE FACE OF WAR**  
**(BONUS FILM)**

**Thurs., July 2 — Lecture Hall — 8:30 p.m.**

"The Face of War," by Tore Sjöberg (he made the excellent "Mein Kampf"), is a graphic indictment that shudderingly focuses not so much on the leaders who make war but on those who must pay its terrible price — the people.

Through some excellent clips, the film hammers away at man's inhumanity to man in his obedience to the imperative of war: "one man must kill another."

Beginning with World War I (when conscription was first put into operation on a massive scale), and through to the present time, Sjöberg pursues his thesis. Onto the screen come German troops in Berlin, Mussolini strutting before a vast throng in a Roman square, Franco's troops marching down the crowded avenida, and Soviet citizens thrilling to the clump of Russian boots. Sjöberg points up the awesome weapons fashioned by man in his servitude to the war machine: Big Berthas, poison gas, the A-bombs and the H-bomb. "What will man next devise?", asks the narrator as the screen shows the H-bomb leveling solid steel and concrete structures.

This is a Bonus Film. All series ticket holders will be admitted free. Those who buy series tickets at the box office before the performance will also be admitted free.

Series tickets are \$7.00 for any ten movies within two years of the date of purchase.
