VISITORS' DAYS NOTE OF THANKS

Our 1964 Visitors' Days were run smoothly and efficiently. Our visitors were impressed with the courteousness and helpfulness of all of the BNL employees on duty. I personally feel it important to give our neighbors and interested people from further away a glimpse of the work of the Laboratory, and I would like to express my appreciation to all those who helped.

MAURICE GOLDBERGER,
Director

SIXTH BERA ART EXHIBIT

The sixth annual BERA art show opens in the Exhibit Hall on Wednesday evening, November 4, at 8 o'clock. Miss Bertha Schaefer, from whose gallery the works of art have been lent, will discuss informally the various works on exhibit. Miss Schaefer and several of the artists will be present at a buffet supper at the Brookhaven Center at 6 p.m. on the opening night. Those wishing to attend the supper should make their own arrangements.

The Art Exhibit will be open on weekdays through Wednesday, November 11, with hours from 11 a.m. to 5 p.m. On the days of the three Pegram Lectures, November 6, 9, and 11, it will also be open during the evenings from 7:30 to 8:30, and for an additional hour following the end of each lecture.

EMPLOYEES' OPEN HOUSE

It's hoped that all BNL employees, with members of their immediate families, are planning to participate in the BNL Open House this Thursday afternoon, November 5, between the hours of 3:00 p.m. and 7:00 p.m.

Remember that movies will be shown continuously in the Lecture Hall, Brookhaven Avenue, after 3:00 p.m. and that the Brookhaven Center will be open from 3:00 p.m. on for information, relaxation, refreshments and dinner.

Here's the final list of major research facilities that will be open for you to show your family in addition to your own place of work (note that the High Flux Beam Reactor and the Computer Center are **not** included):

(Cont'd. on page 3)

BARBARA WARD OPENS PEGRAM LECTURESHIP THIS WEEK

BARBARA WARD

Starting Friday, November 6, Barbara Ward (Lady Jackson) will present at the Laboratory Theatre a series of three public lectures under the general title, "World Affairs: A Sense of Direction."

This is the sixth in the Pegram Lectureship series, a program of annual lectures established at Brookhaven to honor an individual for his accomplishments and provide a forum for his discussion of his own major area of experience and interests. The Lectureship is established in the name of the late George B. Pegram, the eminent Columbia University nuclear physicist who played a key role in the founding of Brookhaven National Laboratory.

Miss Ward's three lectures will be given at 8:30 p.m. on Friday, November 6; Monday, November 9; and Wednesday, November 11. They are entitled, respectively, "The Balance of Power," "The Balance of Wealth," and "The Balance of Ideology."

Barbara Ward – economist, philosopher, writer and lecturer – is one of the most striking women of her generation. She has gained a wide reputation for her interpretation of problems in international economics and is a frequent contributor to leading newspapers and magazines with articles on current world affairs. Born in Yorkshire, England in 1914, she studied at the Sorbonne in France, in Germany, and then at Somerville College, Oxford, where she took first class honors degree in philosophy, politics and economics. In 1939, she became assistant editor of *THE ECONOMIST*, and a few years later was elected to a membership of the Royal Institute of International Affairs. In the United States, Miss Ward has addressed such important audiences as that of the New York Herald Tribune Forum, and she has received honorary degrees from Smith College and Columbia and Harvard Universities. Her latest books are "India and the West" and "The Rich Nations and the Poor Nations."

Admission to any of the three lectures is by ticket only.

LIGHTHOUSE FOR THE BLIND EXHIBIT AND SALE

The Lighthouse Industries of the New York Association for the Blind will again this year hold an exhibit and sale at the Laboratory. The sale is scheduled for Tuesday and Wednesday, November 17 and 18, between the hours of 10:00 a.m. and 4:00 p.m. in the Exhibit Hall.

Orders for toys, household items, gifts, etc., will be taken without deposit during the exhibit, with delivery promised approximately two weeks after. The proceeds from these purchases are used to further the important work of the Lighthouse in training blind workers and promoting public understanding of the causes of blindness.

BERA FILM SERIES

- | | | |
|------|----|---|
| Nov. | 12 | The French Game (comedy) |
| Dec. | 3 | Hand in the Trap
(Torre Nilsson) |
| | 17 | Odd Obsession (Japanese) |
| Jan. | 7 | No Exit (Sartre) |
| | 21 | Purple Noon (Rene Clement)
Bonus Night |
| Feb. | 4 | The Third Lover
(Claude Chabrol) |
| | 18 | The Connection
(Shirley Clarke) |
| Mar. | 4 | Knife in the Water (Polish) |
| | 18 | The Given Word (Brazil) |
| Apr. | 1 | The Suitor (Pierre Etaux) |
| | 15 | Raisin in the Sun
(Sidney Poitier) |

All performances are on Thursday evenings at the Lecture Hall and begin promptly at 8:30 p.m.

Single admission prices are as follows: employees, \$1.00; guests, \$1.25; and children under 18 years of age, \$.50.

Series tickets are available at the box office for \$7.00. This entitles the holder to 10 films plus a bonus film and is valid for a two year period.

Tickets are transferrable but may not be used by more than one person at any one performance.

RIFLE & PISTOL CLUB

The Merchant Marine Academy at Kings Point was the scene Thursday night of a close but victorious match for the Brookhaven team. Dark horse Pete Fallon fired a very welcome 187, and Pete Colombo, Al Lucas, and Tony Finocchio had their usual high scores, adding up to a 726 against 725 for the Sperry team.

So far, no one has been able to blemish the record of the intrepid Nimrodders who remain the Industrial League Champions.

**BIG
DANCE
FRIDAY**

INTERNATIONAL HARVEST MOON BALL

FRIDAY, NOVEMBER 6 — GYMNASIUM — 9:30 P.M. TO 2:00 A.M.

Our Personnel Division, which volunteered its talents to committee our BERA dance is hard at work to insure your evening's entertainment on November 6.

The Gymnasium is being transformed into a colorfully-decorated night club with an "international" flavor. There will be door prizes and two dance contests, free chips 'n pretzels, and plenty of ice. Soda and beer will be sold at cost. If you like, bring your own concoctions. All tickets will be sold at the door at the price of \$1.50 each for employee and guest and \$2 each for your friends.

Your evening's musical entertainment will be provided by Herman Stenzler of the Wayne Foster Orchestra. His popularity at BNL and your requests have brought him back for another return engagement.

So come early and stay late, or plan to come after the Pegram Lecture. See you there!

DID YOU KNOW THAT

There are over 20,000 calls monthly in the local toll-free calling areas?

The Laboratory pays over \$1,000 monthly for these calls?

A wrong number is the same as a completed call and is included in the cost?

Therefore, you can help hold down our ever-increasing telephone costs by reporting wrong numbers to the Telephone Company operator (dial 9, then dial the operator) so that she can deduct the charge for the incomplete call.

Thank you!

—COMMUNICATIONS GROUP

VISITORS' DAYS 1964

A group of students are introduced to the experimental level of the High Flux Beam Reactor.

SEPARATE TABLES' WHO'S WHO

Cynthia Hopkins — Miss Cooper

Cynthia is the very lovely and talented wife of Henry Hopkins from BNL's Physics Department. Although she is a housewife now, Cynthia has appeared in many productions with dramatic societies in Devon and Oxford. These have ranged from Barrie and Shaw to Gilbert and Sullivan operettas. The role of Miss Cooper, the lonely innkeeper in this production, gains new excitement and vitality in Cynthia's very capable hands.

BERA CONCERT SERIES

THE JUILLIARD STRING QUARTET

Tuesday, November 17 — 8:30 p.m. — The Brookhaven Center

Raphael Hillyer, viola; Robert Mann and Isidore Cohen, violin; Claus Adam, cello

The Quartet-in-Residence of the Juilliard School of Music in New York will present the premier program of the 1964-65 BERA Concert Series. The performance will be held on Tuesday evening, November 17, at 8:30 p.m. at the Brookhaven Center.

The Juilliard String Quartet was established in 1946 by William Schuman. Its members conduct classes in ensemble playing, participate in discussions and student workshops, give individual instruction, and, of course, present a number of concerts at the School. In 1962, they were also appointed Quartet-in-Residence of the Library of Congress in Washington, thus becoming the acknowledged first family of chamber music in the United States. With all of these commitments, the Quartet has also found time for wide-ranging concert tours that have won it international recognition as one of the finest string ensembles in the world.

Concert series tickets may be purchased from the following persons: M. Perlman, Chemistry; E. Courant, AGS; D. Alburger and S. Yamamoto, Physics; R. Straub, Medical; A. Aronson, R. Wiswall, J. Stehn, and M. Hillman, Nuclear Engineering; M. Wolfsberg, Biology; E. Gottesfeld, Applied Mathematics; M. Walters, Recreation Office; and V. Sayre, Director's Office.

Admission prices are as follows: Series Adult, \$10.00; Series Child (under 18 years), \$5.00; Single Admission Employee, \$3.00; Single Admission Child, \$1.50; Guest, \$3.50

MIXED DOUBLES BOWLING TOURNAMENT

Saturday, November 14 — 3:30 p.m. — Port Jeff Bowl

Applications for the mixed doubles bowling tournament must be in by 3 p.m. on Friday, November 6.

SEPARATE TABLES' WHO'S WHO

Henry Greenfield — Major Pollack

Henry, a patient in BNL's Medical Research Center Hospital, is a music and English teacher who hails from Miami. Although he is making his stage debut as Major Pollack, the retired officer with a shady past, Henry is no stranger to the theatre art. He has directed several productions of "Amahl and the Night Visitors" for the University of Miami and is already in complete command of his present very taxing and difficult role. See him on November 19, 20, and 21.

Pat Towey — Mrs. Railton-Bell

Pat Towey does not exist!
