## BERA FILM SERIES ODD OBSESSION

Thurs., Dec. 17 — Lecture Hall — 8:30 p.m.

"Odd Obsession," directed by Kon Ichikawa, is a very adult exploration of moral breakdown and is both clinical and comic in its examination of the subject. An aging man, married to a young and attractive wife, is told by his young doctor that he is losing his virility. He induces the doctor, who is his daughter's suitor, to become his wife's lover. This ironic interplay continues throughout the film. The husband's increasingly frantic efforts to restore his failing virility and to keep his wife results in drawing a tighter and tighter web of dangerous complications until they explode in a dramatic, and somewhat unexpected climax. The delicate subject is handled with immaculate taste.

"... If the subject would be embarrassing even to the morally mature, the art of Ichikawa must be a revelation to anyone sensitive to cinematic beauties. It is structurally, as well as in detail, the finest Japanese film on a contemporary theme that I have seen."

—Beckley, Herald Tribune

## SPECIAL NOTICE

**Government vehicles may not be used to push private vehicles** except for the specially equipped vehicles of the BNL Police and Repair Shop in an emergency. The Gulf gas station on site furnishes this service normally.

## FOLK DANCING

There will be folk dancing next Monday, December 21, from 8:00 to 11:00 p.m. in the Recreation Hall. The welcome mat will be out for everyone, no matter what his folk dancing experience.

## RECREATION HOLIDAY SCHEDULE

The Recreation Building and the Gymnasium will be closed December 23, 24, 25, 31, and January 1. They will be open on December 21, 22, 28, 29, and 30.

The swimming pool will be closed on December 21, 23, 24, 25, 28, 31, and January 1. It will be open on December 22, 29, and 30.

All facilities and activities will resume their normal schedules the week of January 4.

## \$ BNL PAY CHECK DISTRIBUTION \$

An improved system of weekly employee pay check distribution is being inaugurated by the Laboratory in January.

Beginning Thursday, January 7, 1965, BNL weekly employees will no longer have to travel to the on-site Peoples National Bank facility in order to pick up their pay checks. Instead, employees' checks will be distributed through their departments to the vicinity of their work stations or at some convenient central department location. Pay checks for weekly shift employees will continue to be available as in the past, when so requested by the employees' supervisors. The method of monthly pay check distribution will remain unchanged.

It is expected that the new check distribution plan will be helpful to all Laboratory employees since it will eliminate the queueing at the bank on Fridays. There will, of course, be no change in the on-site banking facilities. The privilege of using these services will continue to be available to employees within reasonable limits subject to the needs of their work schedules and the permission of their supervisors.

All employees are reminded of two special services provided for their convenience:

### Your Check May Be Mailed Directly to the Bank of Your Choice

You may have your check mailed directly for deposit to any bank you designate. Checks will normally be mailed to banks no later than Thursday morning. (Checks slated for the Peoples National Bank will arrive there on Thursdays.)

### You May Make Savings Account Deposits by Automatic Deduction

You may arrange to have deductions from your pay check for deposit directly to your savings account in the Peoples National Bank.

To arrange for either or both of the convenient services outlined above, simply complete the appropriate authorization form on page three of the BULLETIN BOARD and mail to Payroll Supervisor, 37 Brookhaven Avenue.

**SAVE TIME AND TROUBLE**

**DO IT NOW**

**BANK BY MAIL**

## CHRISTMAS HOLIDAYS

Thursday and Friday, December 24 and 25, will be observed as the Laboratory's Christmas Holidays, and the last four hours of **scheduled work** preceding Thursday will be observed as a pre-Christmas half-holiday.

**PAY CHECKS** — All weekly pay checks will be distributed on Wednesday, December 23, at the Peoples National Bank facility between the hours of 8:00 a.m. and 12:30 p.m.

**BANK HOURS** — In addition to the Wednesday morning hours stated above, the on-site bank will be open on Thursday, December 24, from 10:00 a.m. to 3:00 p.m.

## CAFETERIA AND CENTER HOLIDAY SCHEDULES

The Brookhaven Center will be closed on Wednesday, Thursday and Friday, December 23, 24, and 25.

On Wednesday, December 23, the Cafeteria will close at 2:00 p.m. and remain closed on December 24 and 25. The Snack Bar will be open on both of these days from 9:00 a.m. to 2:00 p.m.

The Cafeteria and Center will resume normal Saturday service on December 26.

The food vending machines in the Cafeteria building will be in operation throughout the holidays.

## PERSONNEL SERVICES

Recreation Office — 3 Center Street

Holiday Hours for This Week Only  
9:00 — 1:00 and 2:00 — 5:00

### SEAT BELTS

Arrangements have been made for a quantity discount price on seat belts for employee purchase at **\$2.75 per belt**. The belts, which would make a welcome Christmas gift, are in stock and will be on sale at this price **until December 31**.

### CHRISTMAS GOODIES

We now have a large selection of Christmas goodies on hand for immediate sale at a substantial discount.

## CERAMICS CLUB

There will be a demonstration session of various ceramic techniques by experienced members on Thursday, December 17, at 7:30 p.m. in the Recreation Hall.

## CAFETERIA SPECIAL

Thursday, December 17

Baked Sugar Cured Ham  
Complete Dinner  
**\$ .99**

## HOLIDAY SAFETY HINTS

1. Store tree in water — away from main part of house — until ready to use.
2. Cut 1 inch off the trunk before setting up the tree.
3. Check water level in tree stand frequently.
4. Support the tree so it cannot fall over.
5. Place tree away from warm areas — radiators, fireplaces, and so forth.
6. Make sure the tree doesn't block doorways.
7. Use only lights and electrical equipment that have the UL label.
8. Check for overloaded circuits or outlets.
9. Check the tree lights for frayed wires and loose connections.
10. Make sure plug or switch for lights is not under the tree.
11. Provide containers for trash and wrappings from presents.
12. Keep trash and wastepaper out of the house.
13. Use noncombustible decorating materials.
14. Use fire-resistant, treated crepe paper and cotton batting.
15. Keep extra 15-ampere fuses on hand.
16. Keep plenty of ash trays around.
17. Teach every member of the family how to turn in a fire alarm by telephone.
18. Make sure the entire family knows what to do in case of an emergency.

## TEN YEAR AWARDS

During the year 1954, things at Brookhaven went something like this: the AEC approved plans for the Alternating Gradient Synchrotron, the first Student Visitors' Day was inaugurated — and the Cosmotron broke down.

But ninety-five out of the 286 employees who began work at B.N.L. that year didn't — and haven't yet!

This month, at ceremonies initiated within their departments, these employees will receive certificates and pins betokening ten years of service at the Laboratory. With them, the number of employees who have received ten year awards reaches an impressive 1,117 total, of which 760 are still active members of the B.N.L. staff.
