BROOKHAVEN RESERVISTS WIN NATIONAL AWARD

Rear Admiral J.K. Leydon, U.S.N., Chief of Naval Research, will make a special trip to the Laboratory on February 18. His purpose will be to present personally to a group of Brookhaven Reserve officers the Award for General Excellence. This group, Naval Reserve Research Company 3-9, has won the fourth national competition for General Excellence as conducted by the Office of Naval Research. These same reservists also took top honors in 1962, the second national competition.

All aspects of a research company's normal activities plus any special projects undertaken are considered by a special board of ranking naval officers which last year reviewed 118 such reserve companies. The winning company received high grades not only on inspections, on participation in active duty for training, on correspondence course competition, on drill attendance and other normal factors, but also for conceiving and conducting the Tenth Annual Research Reserve Seminar in Health Physics at Brookhaven Laboratory last March.

LCDR S.J. Tassinari, USNR, Commanding Officer of NRRC 3-9 will receive the award at a presentation dinner to be given at the Brookhaven Center.

BERA BOARD ELECTION

During the early part of February, an election will be held to fill three positions on the Executive Board of the Brookhaven Employees' Recreation Association.

Board members at the present time are George Jackson, Jere Austin, Bud Pollack, Mildred O'Neill, Leonard Baker and John Binnington. The terms of the latter three members expire on March 1.

The following slate of candidates has been selected by the BERA nominating committee for election to the Board:

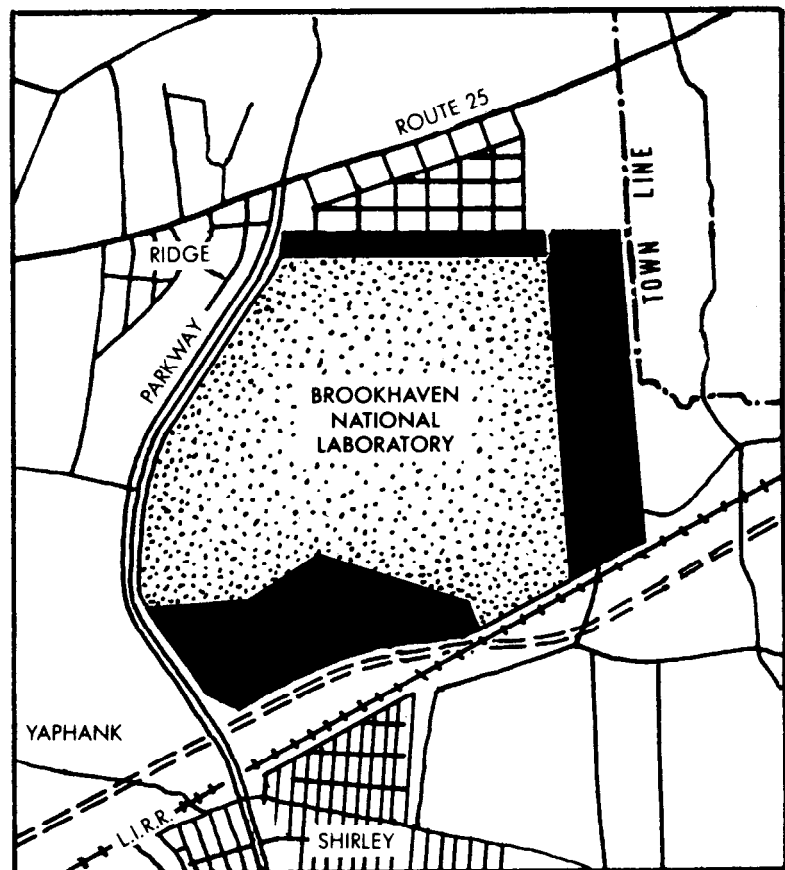

EMORY EGLER
ROBERT FUCHS
MARY KINSLEY
LLOYD O'LAUGHLIN
THOMAS NELSON
RAYMOND STOENNER

The present Board would like to express its appreciation to the members of the BERA nominating committee for its services in selecting the slate.

PRESIDENT'S BUDGET CONTAINS ITEMS FOR B.N.L.

President Lyndon Johnson's budget, released last Monday, contains a request for funds for possible land acquisition and the support of research programs at the Laboratory.

The budget requests \$47,000,000 for the operation of the Laboratory in FY 1966 and about \$11,000,000 for capital equipment. In addition, \$3,000,000 was requested for design work on conversion of the Alternating Gradient Synchrotron to produce a greater beam intensity and provide for increased experimental capabilities and flexibility, and more than \$1,000,000 was requested for an addition to the existing AGS Service Building. Also requested was about \$1,000,000 for an animal laboratory for the Medical Research program at Brookhaven.

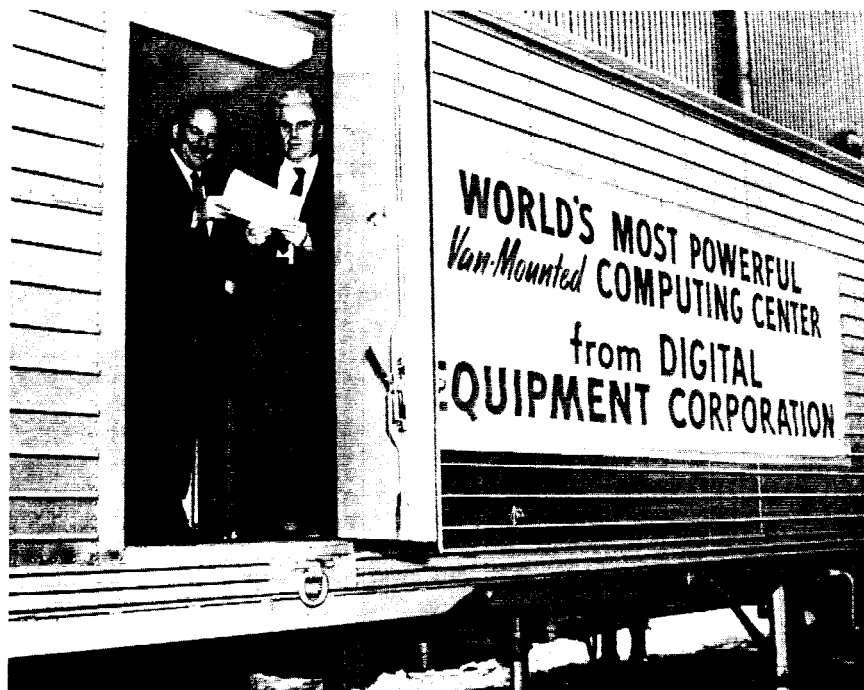

Proposed additions to the Laboratory site are shown in black.

The budget, as approved by the President, contains over \$2,500,000 for the acquisition of land on the present north, east, and south boundaries of the Laboratory. This area, totaling about 1,700 acres, is unoccupied except for a few homes and summer cottages close to B.N.L.'s northern boundary. If authorized and appropriated, the funds would be used to move the Laboratory's boundary to approximately Deer Leap Road on the north; nearly to the north-south Brookhaven-Riverhead town line on the east; and to the edge of the proposed L.I. Expressway extension on the south. The additional land could accommodate future Laboratory growth and, in any event, would provide flexibility for B.N.L.'s programs and facilities.

The current budget requests for Brookhaven's operating and equipment funds are slightly above the FY 1965 amounts of \$44,000,000 and \$8,500,000, respectively.

NEW B.N.L. ACQUISITION: A PERIPATETIC COMPUTER

Pictured above are S.J. Lindenbaum and H.R. Pate with the BNL Physics Department's newest addition to its on-line data processing facility, a large-scale PDP-6 computer housed in a forty-foot trailer. Designed for use in advanced particle and nuclear physics research, the computer on wheels will never leave its stainless steel headquarters, but will roll from location to location on site as it is needed. The new facility arrived at Brookhaven a week ago after a nine-hour drive from Maynard, Massachusetts, where it was constructed by the Digital Equipment Corporation. Truck driver Kenny Dykeman claims he made the trip unaided by what might rate as the world's most calculating backseat driver!

B.E.R.A. GOLF CLUB FORMING!

Membership applications are now being accepted (see below) for membership in the new B.E.R.A. Golf Association. Dues for the first year are estimated at \$3.00 each, and this is the amount required for "charter members." Charter membership will close on March 1, 1965, and memberships after that date will cost an additional \$2.00 initiation fee.

B.E.R.A. Golf Association members will be entitled to a special group rate* for greens fees at the new Lustgarten Golf Course on Yaphank Road, just south of Longwood. Additional club privileges are still being negotiated. This course, scheduled for a March 15, 1965 opening, features both an eighteen and a nine hole course, all championship size. A clubhouse, complete with restaurant, bar, lockers, showers, pro shop, etc., is to open about the same time. The nursery plantings on the 27 holes make it the prettiest layout ever seen by the B.E.R.A. committee members who recently inspected it.

In addition, the association is considering a handicap calculating service as an aid in the tournaments and various competitions planned. Golf instructions are also being contemplated for those members who desire them - perhaps toward the end of this winter. Members can also look forward to a variety of equipment and golf ball purchase discounts offered to the Association by several suppliers.

Don't delay! Fill out the application and rush it (and the three dollars) to the Recreation Office in the Gym. If you have questions or suggestions, contact one of the members of the organizing committee: L. Baker, Ext. 591; F. Walsh, Ext. 2164; D. Poillon, Ext. 7623; J. Weiss, Ext. 2472; R. Gibbs, Ext. 2137; J. Cardamone, Ext. 2912. Application is on page three.

It is planned to call a general membership meeting in the near future to elect officers, solicit suggestions, and begin the development of our golf program.

*Weekdays.

SCOUTERS' LUNCHEON TO BE HELD AT BNL

Several years ago, a luncheon was held annually during Boy Scout Week for all those at BNL interested in scouting. On Wednesday, February 10, the fourth scouts' luncheon will reinstitute this series. It will be held in the North Room of the Brookhaven Center, starting promptly at noon. The food promises to be good, the speaker will be County Judge Thomas M. Stark, a long-time scout, BNL's Dan Schaeffer will be M.C., and the company is guaranteed to be sparkling.

Whether you're an active or a dormant scout; whether you work with Cubs, Scouts or Explorers, or are simply the father of one; whether you are a camper-outer or a sit-around-the-table planner; whether you just "used to be" a scout; or even if you're a past, present or future den mother - - - come on out. Your interest is your only requirement. There will be plenty of kindred souls to spend an hour of fellowship with discussing mutual triumphs and tragedies.

This is a non-profit affair, strictly for the fun of it. And no one (honest, believe it or not) will be pressured into donating any additional time or money.

Save the date. More information next week.

FOLK DANCING

There will be folk dancing next Monday night, February 1, at 8:00 p.m. in the Recreation Hall. The welcome mat will be out for everyone, no matter what his folk dancing experience.

THE THREEPENNEY OPERA ROGUE'S GALLERY

Streetsinger.....	William Hilger
Filch.....	John Butterworth
Mr. Peachum.....	Ron Peierls
Mrs. Peachum.....	Pat Towey

Molly.....	Anne Leonard
Dolly.....	Elaine Friedman
Betty.....	Annette Woodbury
Coaxer.....	Roberta Klimaski

The Threepenny Opera cast will soon begin work on individual musical numbers, the first step in putting together this spring's play.

SONG RECITAL

The B.E.R.A. Concert Committee will present a song recital featuring Elisabeth Palmedo, soprano, and Sakae Shirane, pianist, on Tuesday, February 9, at 8:30 p.m. in the Brookhaven Center. Admission is free.

The program will consist of songs by Mozart, Brahms, Britten, Purcell, Wolfe and others.

SPECIAL EXHIBIT

Carl Zeiss, Inc., of New York takes pleasure in inviting you to visit its exhibit in the Large Conference Room, Medical Research Center, on February 3 and 4, 1965. The hours will be 10:30 to 5:00 on the first day and 9:00 to 5:00 on the second.

On display will be representative instruments of the microscope line as well as spectrophotometers, precision measuring instruments, and medical instruments. Factory trained technical representatives will be on hand to demonstrate the instruments and to advise on instrumentation for specific applications.

COOKING EXCHANGE GROUP

The Cooking Exchange Group will meet on February 3 in the Recreation Building.
