BERA FILM SERIES

SUNDAYS AND CYBELE

Thurs., June 17 - Lecture Hall - 8:30 p.m.

"Sundays and Cybele" is a lyric tragedy, the delicate story of a magical relationship between a lonely girl of twelve and a war veteran suffering from amnesia. The lives of both are enriched and exalted by their Sunday meetings; even the amnesiac's mistress comes to understand their need for each other, until convention-bound townsfolk interfere to destroy both child and man.

Hardy Kruger plays the veteran, and extraordinarily-gifted Patricia Gozzi is the tender Cybele. The picture was photographed by Henri Decae who filmed such other French productions as "The 400 Blows," "The Cousins" and "The Lovers." The music was written by Maurice Jarre, himself an Academy Award winner for his "Lawrence of Arabia" soundtrack.

A graduate of France's famed Cinema Institute, Serge Bourguignon's first official recognition of his work as a master motion picture craftsman came in 1960 when his Cambodia short, "The Smile," won the Golden Palm Award at the Cannes Film Festival as Best Documentary Film. In 1962, "Sundays and Cybele," his first feature film, won the Hollywood Academy Award as Best Foreign Film of the Year, and numerous other national and international honors.

"A cinematic miracle...a masterpiece...brilliant cast...sheer magic!"

CLARKE WILLIAMS RECEIVES HONARY DEGREE

At the 176th commencement exercises on June 13 at Williams College, Williamstown, Massachusetts, Dr. Clarke Williams, BNL's Deputy Director, received the honorary degree of Doctor of Science.

The commencement address was delivered by Adlai E. Stevenson, head of the U.S. Delegation to the United Nations. Dr. John E. Sawyer, President of the College, made the award to Dr. Williams, whose citation reads as follows:

"Eminent physicist, nuclear engineer, teacher and exceptionally gifted science administrator, your work in nuclear science and technology has led to appointments as Chairman of the Nuclear Engineering Department and Deputy Director of Brookhaven National Laboratory and, more recently, to your election as President of the American Nuclear Society. Your contributions to the peacetime uses of nuclear energy, both in advanced technical concepts of reactor design and in international conferences, particularly the Third Geneva Conference in 1964, have been matched by services to your immediate community, including responsibility for the planning of a whole new campus. May your flair for scientific leadership, enthusiasm, and understanding of people long sustain your drive to make nuclear energy serve the human future."

THE BERA CONCERT COMMITTEE PRESENTS
A SONG RECITAL
 by
ANN SCOTT WEBSTER

Featuring music of Mozart, Purcell, Poulenc, Menotti, Obradors & R. Strauss

TUESDAY, JUNE 29 BROOKHAVEN CENTER 8:30 P.M. ADMISSION FREE

Ann Scott Webster was born in New Orleans, Louisiana. She received her B.A. degree with a major in music from Newcomb College, Tulane University, and a Master of Music degree from Washington University, St. Louis.

She has appeared with the New Orleans Opera House Association, the New Orleans Philharmonic Symphony as soloist in performances of the Mozart Requiem, the St. Louis Symphony Pop Concerts, the Little Symphony, the Belleville Philharmonic Orchestra, and as guest singer on the Springfield, Illinois Community Concert Series. In St. Louis, she sang the roles of Zerbinetta in Strauss' *Ariadne auf Noxos*, Musetta in *La Boheme*, and the title role of Susannah in Carlyle Floyd's opera.

Mrs. Webster was a voice student of Leslie Chabay at Washington University as well as the Aspen Music School. For two seasons she was a Young Artist of Aspen, appearing in solo recital as well as giving numerous Opera Studio performances in the Aspen Music Festival. In 1959, she was winner of the Southern Regional Auditions for the Metropolitan Opera and was selected as one of the winners of the Metropolitan finals in New York.

In private life, she is the wife of BNL physicist Medford Webster and the mother of two daughters. In addition to continuing her voice training with Marinka Gurewicz and members of the Metropolitan staff, Mrs. Webster has appeared with the Sayville Musical Workshop as Pitti-Sing in the *Mikado*, Anna in *The King and I*, and Lady Larkin in *Once Upon A Mattress*. She was also accompanist for the Sayville production of *West Side Story*. She has given two recitals for the benefit of the Sayville Workshop building fund and has made guest appearances for the benefit of Brookhaven Memorial Hospital. Most recently, she was soprano soloist for the Suffolk Symphony Orchestra's performance of the *Messiah*. Aside from her singing activities, Mrs. Webster teaches voice and piano for the Arthur Browne Music Store in Smithtown and at her home in Bayport.

CONSERVATION NIGHT AT BNL

Conservation has never been so important as it is today. While the true sportsman has always been interested in conservation, it has now become of deep concern to everyone. On the national scene, there is a tremendous effort being made to conserve the natural beauty of our country--its woods, rivers, and wildlife. We are discovering almost too late that our water supply is in danger.

Here is an opportunity for you to find out what your New York State Conservation Department is doing for you on Long Island. You will find out how you can help to promote this program whether you are a hunter or fisherman interested in the future of your sport, a bird watcher, or just someone who loves the out-of-doors.

Mr. Alfred Kellar, New York State Conservation Department biologist in charge of Long Island's fresh water areas, will give a lecture (followed by a question and answer period) on Tuesday, July 13, at 7:30 p.m. in the Lecture Hall. Admission is free.

So hold this evening aside. Bring your wife and/or your hunting and fishing friends to an enjoyable evening.

BROOKHAVEN CENTER HOURS

Beginning Saturday, June 12, 1965, the Brookhaven Center will be open every evening from 5:00 p.m. until midnight. It will remain on this schedule through Saturday, September 25.

The Center will serve a dinner menu until 10:00 p.m. Sandwiches and beverages will be available until 11:30 each night. All charges incurred must be paid in cash.

THEATRE GROUP FLATS FESTIVAL

We are planning a "Flats Festival" for a Sunday afternoon in the near future. The purpose of the festival is to clean out the Theatre Group's warehouse and throw out all of the old props. To help us determine a convenient date, would you please check as many of the boxes below as apply to you; then return this slip, with your name, to Eileen D'Arcy (Chemistry) as soon as possible.

I can attend the "Flats Festival" on
☐ June 20 ☐ June 27 ☐ July 11

TIME TRIALS ONE A BIG HIT

Time trials One, which was conducted on site on Sunday, June 6, saw a good turnout of both drivers and spectators. Members of other clubs were outnumbered and outdriven by our club members, who won all but one class. Competition was keen (as little as .09 seconds between Pete Fallon and Gene Barmack), and in general a good time was had by all.

The winners of Time Trials One were as follows:

Class A and B: Harold Waitz in an Elva Courier with a time of 1.56.63.

Class C: Gene Barmack from Gruman in a MGA with a time of 1.52.51.

Class D: Stan Anderson in a TR4 with a time of 1.49.54.

Class E: Arnold Esper in a Sting Ray with a time of 1.51.23.

Class F: Dennis Greenberg in a Jaguar with a time of 1.44.68.

We are rather proud of our club and feel sure if you are entertaining the thought of joining that you, too, will attain the same spirit after you have had a hand in an event. Whether you are a course worker, driver, or both, there's something about the scene that "gets to you."

The welcome mat is out for all potential members. Specifics on joining can be obtained from Lou Picinich at Ext. 439. Ladies need not be bashful Jackie (Mrs. Stan) Anderson says that there's much enjoyment in store for those of you who heretofore have been a bit hesitant.

The list of our staunch "behind the scenes" supporters grows with each event. Lest we forget--our deep-felt thanks to Messrs. Burke, Palermo, Iverson, Craig, Pontieri (Jim), Bob Brown, George Cox, the Lab Police and Fire Group, and last but not least, Walt (Dutch) Becker and his boys. Thank you gentlemen for helping us make Time Trials One a success.

More events coming up, so watch the BULLETIN BOARD for details.

THEATRE GROUP NOTICE

There will be a meeting of the Theatre Group on Wednesday, June 30, at 8:30 p.m. in the Apartment Area Recreation Hall. A vote will be held on the two amendments to the Constitution proposed at the May 26 meeting. Also on the program is a prepared reading from Kenneth Brown's "The Brig."
