Jean-Luc Godard's
Alphaville

Alphaville is Jean-Luc Godard's ninth and, according to most critics, best film. Ostensibly, the film is a story about a computer-run civilization on a distant galaxy in the future, but this is an obvious oversimplification. Godard has created a satire on science fiction films – a pungent commentary on our mechanized society – and has filmed probably the first full-length "Op Art" feature. Eddie Constantine, a cross between James Bond and Primo Carnera, is an American actor, unknown in the United States, who has become somewhat of a folk hero.

Technician Scholarship Deadline Extended

The deadline for the submission of applications for 1967 AEC Technician Scholarships has been extended to Wednesday, February 15. Application forms are available at Personnel and should be returned to that office by 5 p.m. on the 15th.

Full details on the scholarship program were published in the January 26 issue of the *Bulletin Board*. Any questions should be directed to Peter Paige, Ext. 7248.

SOS –

Piano Players Wanted

Piano players are urgently needed for rehearsals of the Theatre Group's production, *The Roar of the Greasepaint, The Smell of the Crowd*. Volunteer pianists would be asked to help out one evening a week, or to be available to fill in occasionally.

For information, telephone Carol Roberts, Ext. 325.

Brookhaven Concert Series

Trio Flauto Dolce

The Trio Flauto Dolce will present the next concert in the BERA Series at 8:30 p.m. on Wednesday evening, February 15, at the Brookhaven Center.

The members of the Trio Flauto Dolce are Martha Bixler, Eric Leber and Morris Newman, three outstanding free-lance musicians and specialists in early music. They have taught at recorder and chamber music workshops held at Michigan State University; National Music Camps, Interlochen; Pinewoods Camp; Goddard College; and the Music Educators National Conference. Their workshops for adult and college-age recorder players have been conducted in Boston, Wilmington, Providence,

Newark, Cooperstown, Chicago and New York City. In addition to their work as a concert trio, they have been presenting informal children's concerts since 1962 under the auspices of Young Audiences, Inc.

The program which the Trio will present at Brookhaven will include Chansons from the *Odhecaton* (1501), *Preludio* and *Three Fantasias* by John Hilton, *Trio for Recorders* by Hindemith, and *Sonata No. 3 in A Minor* for bassoon and continuo by Vivaldi, as well as selections by Byrd, Morley, Tomkins, Mattheson and Telemann.

Admissions: Adults, \$3.00; Children, \$1.50; Non-Employee Guests, \$3.50. Refreshments will be served at the Center following the concert.

Rosan, Inc.

Product Presentation

Rosan, Inc., manufacturers of precision fasteners, will hold a product presentation at the BNL Exhibit Hall on Tuesday, February 21, at 10 a.m.

The agenda will include both slides and display of various types of threaded fasteners, followed by a discussion period and demonstrations of the installation of these products.

High School Students Invited To Science Youth Day

BNL's John Floyd (above, right) describes a neutron monochromator at the High Flux Beam Reactor to a group of high school students during the 1966 Science Youth Day program at the Laboratory.

Today, over 200 selected high school seniors from some 60 Suffolk County schools have been invited to Brookhaven to participate in the 1967 Youth Day. Their visit is part of the

International Edison Birthday Celebration which is aimed at stimulating the interest of high school students in science and engineering careers. All major Atomic Energy Commission laboratories participate in the program.

The 1967 Youth Day program at BNL will emphasize the use of computers in research and include visits to several computer facilities.

hero in Europe as a star of French gangster films. As Lemmy Caution, secret agent from Earth, he attempts to capture the scientist who has created the automated world. Lovely Anna Karina, Godard's favorite photographic subject, provides the feminine interest, and the remainder of the cast includes Akim Tamiroff and Howard Vernon. An excellent evening's entertainment.

Short: Calder's Circus

In 1929, Alexander Calder built a miniature circus with a foretaste of what was to become the essential characteristic of the art of his mobiles - a taste for fantasy and color, mastery of balance and volume, and craftsmanship in steel wire. Yet the circus was designed as an enormous toy to amuse his friends and is here shown to the world by the artist himself, bringing his tiny toys to life with his strong sculptor's hands.

BERA

Board

Slate

The terms of three members of the BERA Executive Board will expire on March 1, 1967. To fill the openings, the BERA Nominating Committee presents this slate of six candidates. (Due to the withdrawal of one of the candidates, the slate has been revised since it was first announced in last week's *Bulletin Board*.) Three of the candidates are to be elected for a term of two years.

Ballots with voting instructions are being distributed this week to all employees. Election results will be announced in the *Bulletin Board* issue of February 23. If anyone does not receive a ballot, a duplicate will be issued upon request at the Recreation Office, 3 Center Street.

Showing at Lecture Hall
Wednesday, February 15, 7:30 p.m.

Cooking Exchange Club

The Cooking Exchange Group will meet on Thursday, February 16, from 3 to 5 p.m. at the Recreation Building in the Apartment Area. There will be a small charge of 50 cents.

Undelivered Mail

The BNL mailroom (Bldg. 179, Ext. 565) is holding undelivered mail for the following individuals:

- F. Gelb
- A.L. Berman
- F. Orlando

Family Camping Club

The February meeting of the Brookhaven Family Camping Club will be held at 7:30 p.m., Recreation Hall, on February 16. The agenda will be as follows: 7:30-8:00 p.m. business meeting to hear the reports of the outstanding committees, the Rally Committee and the delegates to the N.C.H.A. coordinating committee; 8:00-10:00 p.m. swimming at Brookhaven pool for the entire family, children included.

Fun - Food - Friends!

A Mystery Bowling Tournament is set for 3:30 p.m., Saturday, March 11, at Port Jeff Bowl. This will be a scotch doubles competition complete with free hors d'oeuvres. Lady bowlers will draw their partners at the alley. The winning scores will be placed in sealed envelopes beforehand, and the winners will be those teams coming closest to, but not above, these scores. No average is needed, so all can join in this fun-filled event.

The Rules

1. A team shall consist of one male and one female. All male entrants will be assigned a team and lane. The ladies' names will be placed in a hat and a drawing held for alley assignments and partners.
2. All BNL employees (per BERA definition) are eligible. An employee may also submit an application for one family member or guest.
3. The tournament shall consist of 4 games per team, bowled across two pairs of lanes. Each team will bowl a single score for each game with the *team members alternating balls rolled*. The first ball to start each game will be rolled by the female member of the team.
4. Prizes will be awarded to those teams whose scores come closest to, but not above, scores placed in a sealed envelope before the tournament.
5. There will be one prize awarded for every 5 teams entered. Prizes will consist of two bottles of scotch.
6. Entry fee, including the cost of bowling, is \$2.60 per bowler. Entry blank and fee must be presented at the Recreation Office not later than 3 p.m. on Friday, March 3.
7. Placement on a team cannot be guaranteed after the first 128 (64 male, 64 female) entries have been received. The fee is non-refundable, except in the event that the minimum number of team entries (30) is not reached.
8. The rules of the BNL Bowling Association are adopted for this tournament except as otherwise stated herein.
9. Decisions of the Tournament Committee shall be final.
10. For additional information, call Lew Jacobson, Ext. 2314, or George Sabine, Recreation Office, Ext. 391.

Joe Bauernfeind makes sure his spectacular archery shot is really true. The one-in-a-million shot was made in the gymnasium last week, during the Archery Club's regular session. Any prospective archers who would like to try their "luck" can come to the gym on Wednesday evenings between 5 and 7 p.m. or contact Joe Bauernfeind at Ext. 2822. Equipment and instruction will be provided.

Volleyball League

The first half of the season finished in a tie between the Spikers and the Atom Spikers. A play-off will be scheduled to determine the first half winner. The Spikers won three games from the Chamber Chaps, and the Atom Spikers, in must wins, took the last two games from the Spikers, after dropping the first game of their match. At this time, a temporary three-way tie was created between the 80", Spikers, and Atom Spikers. In final matches, the Spikers defeated the 80" in three games, and the Atom Spikers defeated the Chamber Chaps in three straight games.

In other action the Topless Terrors won two out of three in the battle for sixth place with the Scottsmen. The Barbaryons improved their record with wins over the Tail-enders.
