

## Time to Renew Old BNL Friendships

As this is the time of year to renew old friendships and to remember those you may not have had a chance to visit during the year, the Bulletin is publishing this list of retired employees

and those on long-term leave. The listing, prepared by Personnel Services from their records, is up-to-date as of November 9. If you have any corrections, notify Personnel or call (516) 282-7516.

"Since retiring in 1981 and becoming a 'Honey do!' married homeowner, after 50 years, I am again a model plane builder.

"I do miss operating bubble chambers, liquefying helium and being allowed to build some models, viz, 80" Bubble Chamber and supercooler for ISA.

"I do not miss, however, the 80-mile daily round-trip to and from Greenport.

"I well remember my friends, many happily retired and some no longer with us.

"My best to all. Stay in touch."

— William E. Adams Jr.

"p.s. I am totally fascinated with Bob Louttit's almost unbelievable saga. He was my boss from 1960-81. I congratulate him and wish him well."

*"In this first year of retirement, my husband Bob and I were successful in selling our Long Island home of 40 years and redesigning our vacation home to maximize our enjoyment of our lovely island [Jamestown, Rhode Island] on a full-time basis. Although we are at a distance from our children and grandchildren, it is only a four-hour trip, and we make it often.*

*"Without TIAA/CREF and Connecticut General, our dreams would have been very difficult to achieve. We appreciate being part of the BNL family and receiving our weekly copy of the Bulletin. It keeps us informed of Lab happenings, its achievements, and sometimes conveys sad news in reporting the passing of friends.*

*"... BNL and PSI friends continue to keep in touch, bring back so many fond memories. ... Writing friends will be easier now that we have our own computer. We are kept so busy, at the risk of sounding flip, I don't know how we found the time to go to work each day.*

*"Wishing you all wonderful holidays."*

"A few years prior to my retirement on January 1, 1982, my wife and I — we're veteran campers — took six weeks off to camp across the country, staying mostly in state and national parks. It was a great vacation, as we visited new areas and had time to revisit places that were worth seeing again.

"On a postcard to a coworker, I mentioned how much we both enjoyed traveling the country, and if my monthly checks would keep rolling in, we could continue doing so.

"BNL not only provided the retirement plan that gave us the means to 'keep us on the road,' but more important, the Lab also provided me with interesting and challenging work and the opportunity to meet and work with so many nice and creative people."

*"I left the Laboratory April 30, 1984, and I look forward to each issue of the Bulletin as I look for a familiar name, a familiar face in any pictures and the latest successes of the Laboratory.*

*"I think I speak for all retirees like myself who are not there physically every day. Our thoughts are there often, and we wish our former coworkers and employer continued success. The Lab was and is a very special place to work and be a part of."*
