BWIS is a 501(c)(3) non-profit volunteer-run organization located at Brookhaven National Laboratory. It is supported by Brookhaven Science Associates and membership dues, and relies on private and public donations. Membership dues and donations are tax deductible (EIN# 112682420).
Contributing to the greater community by:

- Providing a platform for women to present their work and increasing community access to diverse viewpoints through BWIS Speaker Series
- Reaching out to schools, community groups, and professional organizations to support science education and professional development

BWIS: Working for the good of the entire scientific community

Since 1979, BWIS, or Brookhaven Women in Science, has been actively working for the advancement and promotion of women. BWIS is open to all. To learn more, visit www.bnl.gov/bwis or search for “Brookhaven Women In Science” on Facebook.
