

# CARE Workshop

Career Advancement in a Research Environment

Brookhaven Center, Brookhaven National Laboratory

# 2013B

September 17  
8:30am - 6:00pm

<http://www.bnl.gov/care2013b>

CARE 2013B for early career scientists and professionals in STEM fields will build upon the previous two CARE workshops by providing strategies for proposal writing, by creating new focus groups, and by offering a platform for feedback and discussion about mentoring programs.

## Important Items

Registration deadline: **Sept. 10, 2013**

Participation is limited to first 50 registrants

To register or for more information:  
<http://www.bnl.gov/care2013b>
