BROOKHAVEN NATIONAL LABORATORY
EQUAL OPPORTUNITY &
AFFIRMATIVE ACTION POLICY STATEMENT

Our mission to do world-class research is advanced by having a diverse workforce. Fair treatment and equal opportunity for all employees in an environment free from harassment should be the Laboratory's way of doing business. As Director of Brookhaven National Laboratory (BNL) I reaffirm the Laboratory's commitment to Equal Employment Opportunity, Affirmative Action and diversity in the workplace.

It is the policy of Brookhaven National Laboratory to comply with the laws, regulations, and orders that provide for and impose obligations on employers with respect to the management of their equal employment opportunity and affirmative action plans.

Accordingly, Brookhaven National Laboratory will conduct its business and practices in a manner that fully complies with and supports Presidential Executive Order 11246, as amended, Section 503 of the Rehabilitation Act of 1973, as amended, the Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended, and all applicable federal, state, and local laws and regulations. Our compliance with these laws and regulations is calculated to eliminate discrimination against employees or applicants for employment on account of race, color, religion, sex, sexual orientation, gender identity, national origin, age, protected veteran status, disability, or genetics. To achieve these goals and make Brookhaven National Laboratory a more rewarding place for all employees to work, Brookhaven National Laboratory will recruit, hire, train, and promote persons in all job classifications without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, age, protected veteran status, or disability; base decisions on employment so as to further the principle of equal employment opportunity; ensure that promotion decisions comply with the principles of equal opportunity by making certain that requirements for such opportunities are valid; and ensure that all other personnel actions such as compensations, benefits, transfers, layoffs, recall, company-sponsored training, education, tuition assistance and social and recreational programs will be administered without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, age, protected veteran status, or disability. Brookhaven National Laboratory will provide reasonable accommodations to qualified applicants and employees with a disability. Requests for reasonable accommodations should be made to the Human Resources Department.

Employees and applicants are not to be subjected to harassment, intimidation, threats, coercion or discrimination because they have engaged in or may engage in any of the following activities involving the laws enforced by OFCCP, the Americans with Disabilities Act, or any other Federal, state or local laws requiring equal opportunity:

1. filing a complaint;
2. assisting or participating in an investigation, compliance review, hearing, or any other related activity;
3. opposing any act or practice made unlawful by these laws; or
4. exercising any other right protected by these laws or implementing regulations.

Overall responsibility for directing and implementing EEO Policy, including audit and reporting systems, has been assigned to Shirley I. Kendall, Manager Diversity Office and Office of International Services, Ext. 3318 and Robert E. Lincoln, Associate Lab Director, Human Resources, Ext. 7435. If any employee has a suggestion, question, or complaint, she/he should feel free to contact Shirley I. Kendall.

The Affirmative Action Plan for Protected Veterans and Individuals with Disabilities is available to any employee or applicant for inspection in the Human Resources Department during regular business hours.

Brookhaven National Laboratory extends an invitation to self-identify as a protected veteran and/or individual with a disability to all applicants both pre-offer and post-offer. If you are an individual with a disability or a protected veteran and would like to be considered under the Affirmative Action Plan, please tell us. This information is voluntary and refusal to provide it will not subject you to discharge or disciplinary treatment.

To ensure that this policy is adhered to, in the day-to-day activities of our management, all personnel actions will be monitored, analyzed, and reported on periodically throughout each year.
