**A Walk for Beauty...** began in 1994 as a community effort to raise awareness about breast cancer and to establish a boutique for people with cancer. The Unique Boutique, a collection of shopkeepers in Stony Brook Village Center, provides products and services for patients with cancer. The Walk for Beauty Fund enables patients with cancer to purchase wigs, prostheses and other special products through the Unique Boutique. Since 1996, the **Walk for Beauty** has supported breast cancer research at Stony Brook University (SBU). In 2002, the **Walk** broadened its scope to include prostate cancer. Proceeds from the 2005 **Walk for Beauty** will support breast and prostate cancer research at SBU.

**How It Works**

Walkers collect donations from family, friends and co-workers. All donations are turned in at registration on the day of the **Walk**. See registration form for pre-registration information.
