

15th Annual CFN Image Contest

Submit your entries by:

October 7, 2024

Join us as we celebrate **National Nano Day** on **10/9**, in collaboration with the National Nanotechnology Initiative (NNI), by showcasing images highlighting our work at CFN.

All submissions will be entered in the 2024 CFN Image Contest:

- 1st and 2nd place prizes will be awarded in each category.
- 1st place images in each category will be framed and hung in the main corridor gallery of the CFN.
- All images will be considered for the 2025 CFN calendar.

Eligibility:

CFN users and staff; limited to one submission per category.

Submit entries to (BNL e-mail only)

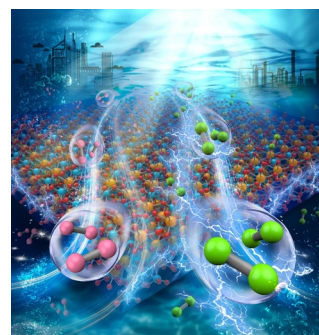

<https://forms.office.com/g/8vscECMxZx>

Submission guidelines for non BNL e-mail holders:

Please e-mail Ellie at rryo@bnl.gov with the image file (in JPG, TIF, or PNG format). Include submitter's name, institution, and address, as well as a brief description of the image and the CFN instrument used (if applicable).

Submit your entries in one or both categories:

- **Scientific and Technical**
- **Life at the CFN**

2023 Scientific and Technical 1st Place Winner

"Photoelectrochemical Brine Splitting"

Zhaoyi Xi, CFN PhD Student & User, Brookhaven National Lab & Stony Brook University

CFN capabilities used: CFN Material Synthesis and Characterization, Electron Microscopy, and Proximal Probes facilities.

CFN instrument used: Nikon Eclipse Ti2 Hyperspectral Dark Field Microscope

2023 Life at the CFN 1st Place Winner

"Stuck in the CFN Elevator k-Space"

Ashely Head, Brookhaven National Laboratory, CFN Staff
