The Site Environmental Report (SER) is written to inform regulators, the public, and Brookhaven National Lab (BNL) employees of the Laboratory’s environmental performance for the calendar year in review. The report summarizes the Laboratory’s on-site environmental data; environmental management performance; compliance with applicable regulations; and environmental, restoration, and surveillance monitoring programs.

BNL welcomes your comments, suggestions for improvements, or any questions you may have. Please fill in the information below, and mail your response form to:
