Facility Operations Office  
November 4<sup>th</sup> , 2009

# OSHA FUNDING – FY09

- ▣ Allotted 100k in funding to continue the corrections of OSHA related concerns throughout the site.
- ▣ Received an additional 57k before year end.
- ▣ Reviewed Maximo database of Tier 1 findings and talked to various departments on OSHA deficiencies throughout their areas.
- ▣ Tried to spread the funding out over different departments and for various concerns.
- ▣ Additionally, tried to spread the funding out to different trades so as to not over burden their work loads.

# OSHA FUNDING – FY09

- ▣ Accomplishments:
  - Issued and “Closed” out 95 work orders.
- ▣ Issues addressed:
  - Handrail and Guardrails
  - Emergency Eye Wash/Shower Upgrades
  - Loading Dock Guardrail Protection
  - Handicap Ramp Repairs
  - Belt and Shaft Guarding Upgrades
  - Fall Protection Devices
  - Machine Shop – Anti Start Devices

# OSHA FUNDING - FY10

- ▣ Requested 100k in new funding to continue the project.
- ▣ Continue to identify OSHA related issues on your Tier 1 Inspection.
- ▣ Send any additional OSHA concerns to [mpaquette@bnl.gov](mailto:mpaquette@bnl.gov) so they can be addressed as funds become available.
