

BIOGRAPHICAL SKETCH
James C. Higgins

- Jim has been an ESL instructor at BNL since 2003.
- He was awarded the Tutor of the Year Award for Suffolk Co. in 2006.
- He is VP of the Rocky Point Historical Society.
- He holds a BS with a major in Mathematics from US Naval Academy, and an MS in Mathematics from USNPGS.
- He has 40 years of professional experience nuclear engineering. This includes service: on two US Navy nuclear-powered submarines; and for the US NRC as a reactor inspector and Senior Resident Inspector.
- He has worked on a variety of engineering research and development projects over his 30 years at BNL.
- He is currently the Group Leader of the Systems Engineering Group at Brookhaven National Laboratory.
- In his free time Jim enjoys cycling, volleyball, and swimming.
- He and his wife have 2 married children and 6 grandchildren.
