

## Indian Translation

I am from the western part of India (Aurangabad, Maharashtra). I am well conversant with Hindi, Marathi, Rajasthani and, of course, English. Our son is 15 years old and attends Longwood High School. I enjoy cooking, knitting, crafts, as well as embroidery work. I will be pleased to provide any help I can to the BNL visitors. Please feel free to call me at 344-1057.
