

DME rental items are paid up to the purchase price less the plan's cost share, when applicable. Claims submitted after the purchase price has been met are denied.

- Participating provider contracts may cap rentals at the purchase price and/or may have a purchase reduced to the rental price. Payment takes place over a minimum of 10 months. A payment period of more than 10 months is acceptable.
- Non-participating provider DME rental claims are subject to a billable times limit of thirteen (13). The limit is managed by ClaimsXten rule C6DM and applies to both nonpar Commercial and Medicare Advantage claims.
