The Travel Accident Insurance Plan provides 24-hour Accident coverage while on Authorized Business Travel. Coverage begins at the actual starting point of an anticipated trip, whether this is your place of employment, your home, or some other location, whichever occurs last. Coverage terminates upon your return to home or place of employment, whichever occurs first. Please note that the Employer reserves the right to amend or terminate this Travel Accident Insurance Plan at any time and for any reason.

WHO IS ELIGIBLE FOR THE TRAVEL ACCIDENT INSURANCE PLAN?

Active Employees

All regular, temporary and part-time employees, visiting scientists, Guests, and members of the Board of Directors of Brookhaven Science Associates, LLC (the “Employer”) are eligible for Travel Accident Insurance coverage. However, different coverages apply to different “classes” of eligible employees and their family members, as described below.

An employee is a “regular employee” if he/she is classified and treated for federal income tax purposes by the Employer as a regular full-time or regular part-time employee of the Employer (as opposed to a temporary, seasonal or casual employee, intern, independent contractor or consultant, agency worker or leased employee) even if the Employer's classification is later determined to be incorrect.

A person is a “Guest” if that person travels at the direction or invitation of the Employer and travel expenses are paid for or reimbursed by the Employer, or if that person agrees to pay one-half of the airfare while traveling to and from the Employer's premises at the invitation of the Employer.

Ineligible Employees

The following employees are not eligible for the Travel Accident Insurance Plan:

- Employees who are resident undocumented aliens; and
- Employees whose terms of employment are covered by a collective bargaining agreement to which the Employer is a party, unless the collective bargaining agreement provides otherwise.

ENROLLMENT

OTHER BENEFITS

Cosmetic Disfigurement from Burns Benefit

If an insured person suffers third or fourth degree burns in one or more areas of the body, the benefit payable for any one loss is determined by the following formula:

(1) Identify the Area Classification factor on the Cosmetic Burn Chart shown below;
(2) Multiply the Area Classification factor by the Maximum Allowable Percentage for Area Surface Burned (or a percentage proportional to the total amount of the Body Part actually burned);
(3) Multiply the result of (2) by the Maximum Benefit Amount to determine the amount of the Maximum Benefit Amount Payable under this benefit.

PRIVACY OF INFORMATION

Your protected health information will not be disclosed without your written authorization, unless such disclosure is permitted by law. Protected health information is individually identifiable information that is maintained relating to the provision of your health care, such as your medical records, claims payment information, and health care visit and treatment patterns.

YOUR RIGHTS UNDER ERISA

As a participant in the plans, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plans and Benefits

- Examine without charge, at the Plan Administrator’s office, all documents governing the plan, including insurance contracts, collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

- Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, copies of the latest annual report (Form 5500 Series) and updated summary plan description. The Plan Administrator may make a reasonable charge for the copies.

- Receive a summary of the plan’s annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

- In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plans. The people who operate your plan, called “fiduciaries” of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your right under ERISA.

Enforce Your Rights

- If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge and to appeal any denial, all within certain time schedules.

- Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do
not receive them within 30 days, you may file suit in Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to $110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the plan’s decision or lack thereof, concerning the qualified status of a domestic relations order or medical child support order, you may file suit in Federal court. If it should happen that plan fiduciaries misuse the plan’s money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds that your claim is frivolous.

**Assistance With Your Questions**

- If you have any questions about your plans, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
