Healthcare Plan

We are pleased to offer you the Aetna International Healthcare Plan for medical, dental, and vision care coverages that can be used worldwide.

Q: Is enrollment in the Healthcare Plan voluntary?

A: Eligible BSA employees who are working at CERN must maintain healthcare coverage based on requirements in Switzerland and France. Employees working in other locations outside of the U.S. must comply with rules applicable to those countries.

Employees working at CERN are required to either:

- Enroll in the Aetna International Healthcare Plan through BSA if they are on assignment to CERN for 6 months or more, or
- If you are a Swiss citizen, you may instead enroll in a plan available through the canton in which you reside, or
- If your spouse or domestic partner is employed, you may instead enroll in your spouse's or domestic partner's insurance, if you are eligible to do so.

Q: Am I eligible to participate?

A: You may participate as of your first day of employment if you are a regular employee working at least 20 hours per week.

Q: What is the benefit?

A: The Aetna International Plan provides coverage for many medical, dental, and vision care services. Go to www.bnl.gov/hr/Benefits/ for additional information.

Q: Can I also enroll my family for the Aetna International plan?

A: Yes. As long as you enroll yourself for healthcare coverage, you can also enroll the following dependents:

- Your spouse or your domestic partner.
- Your children, including a child for whom you have legal custody or are the legal guardian, and your domestic partner's children up to the end of the month in which they attain age 26 (including your adopted or stepchildren or a child for whom you have legal guardianship). Additional details may apply.
- Your unmarried children age 26 or older who are mentally or physically incapable of self-support

Q: How does this plan work?

A: Once you are enrolled in the Aetna International Plan, you will receive an identification (ID) card and a package containing information about the program from Aetna, including information on how to file a claim. You can locate a provider in Aetna's International plan through their customer service (phone & website). You will need to contact Aetna International when you schedule services to arrange for a direct settlement Letter of Authorization (LOA) (go to www.bnl.gov/hr/Benefits/ for additional information). Show your ID card to your healthcare provider (medical, dental, and/or vision care). If you are using a provider that is in Aetna's International network, your cost will be based on Aetna's coverage schedule. Outside of the U.S., most medical costs are covered in full. If you are not using a provider that is in Aetna's International network, you will need to pay the entire cost and then submit information on your claims to Aetna for the applicable reimbursement under the plan. It can take approximately 8 weeks to receive your reimbursement from Aetna.

Q: What is the cost of coverage?

A: The current monthly cost of coverage is as follows and is withheld each month from your paycheck. The Annual Base Salary category for eligible part-time employees is based on their full-time equivalent salary. These costs also apply to all employees who are on an approved leave of absence.

Coverage	Monthly Contribution			
	Annualized Base Pay			
	Less than \$70,000	\$70,000- \$99,999	\$100,000- \$174,999	\$175,000+
Employee Only	\$ 80.72	\$ 107.96	\$ 131.30	\$ 154.64
Employee & Spouse	\$ 191.09	\$ 254.03	\$ 308.95	\$ 363.88
Employee & Child	\$ 177.90	\$ 236.49	\$ 287.63	\$ 338.76
Employee and Children	\$ 177.90	\$ 236.49	\$ 287.63	\$ 338.76
Employee & Family	\$ 279.41	\$ 375.93	\$ 457.21	\$ 538.49

Q: How do I sign up?

A: New employees sign up for coverage by logging into Workday and make your elections and completing the [Aetna International enrollment form](#). You may also be required to complete a beneficiary designation form for your life insurance provided by Trawick International Benefits. You have 30 days from your first day of employment to make changes to your elections. Such changes will be retroactive to your date of hire. These forms will be provided to you by the Benefits Office. Scan these forms and return them by email to benefits@bnl.gov.

You may also be eligible to sign up for coverage if you have a Qualifying Event. See the Open Enrollment section and the Qualifying Events section for more information.

Q: Can I make changes to my coverage?

A: Yes. If you have a Qualifying Event, you may be eligible to add or drop coverage or dependents at that time. See the Qualifying Events section for more information. You may also change your coverage during the Open Enrollment period, and coverage will be effective 1 January of the following calendar year. See the Open Enrollment section for more information.

Q: Will my election automatically continue into the next calendar year?

A: Yes. The elections you have in place for the Aetna International program will roll forward from one year to the next for you and your eligible family members only if all criteria for eligibility are met.

Q: Where can I get more information on the programs?

A: Information on the plan is provided on the Benefits website at www.bnl.gov/hr/Benefits/. You may also go to the Aetna international website at aetnainternational.com or contact them at (800) 231-7729 or (813) 344-0190 or contact the Benefits Office at (631) 344-5126 or (631) 344-4275, (631) 344-5558, (631) 344-8877 or benefits@bnl.gov.

Vacation Buy Plan

We are pleased to offer you a Vacation Buy Plan where you can purchase additional vacation time (on a pre-tax basis, if applicable) and spread the cost of doing so over the calendar year. For information on time-off for accrued vacation provided by the Laboratory, see the Vacation section in the back of this booklet.

Q: Is enrollment in the Vacation Buy Plan voluntary?

A: Yes.

Q: Am I eligible to participate?

A: You may participate as of your first day of employment if you are a regular employee working at least 20 hours per week.

Q: What is the benefit?

A: You may purchase a minimum of 8 hours (up to a maximum of 40 hours) of vacation time in 1-hour increments each calendar year in addition to the vacation time you are eligible to receive from the Laboratory. Vacation buy benefits for eligible part-time employees will be prorated according to your official work schedule. Additional vacation time is paid for through pre-tax payroll deductions taken equally from your paychecks throughout the year. The hours of vacation you purchase become available to you as of your date of employment. Each year thereafter, if you buy vacation time, the hours of vacation you purchase become available to you as of 1 January of the following year.

Q: How is the cost of purchased vacation time determined?

A: For a full calendar year, divide your full-time Annual Base Salary by 2,080. You can prorate this accordingly for a partial year. Your Base Salary is the amount that will be reflected on your W-2 statement (if applicable) before exercise of any salary reductions. Overtime payments, shift premiums, termination payments, severance pay, and other forms of compensation are not included in Base Salary.

Q: Will purchasing vacation time affect any other benefits?

A: When you purchase vacation time, you buy unpaid time off but stretch the cost over the entire year. Since the Retirement Plan and the 401(k) Plan contributions are based on actual base pay, you do not receive and cannot make contributions for the unpaid time.

Q: What happens if I don't use up all of the vacation time I have purchased?

A: It will not be carried over to the next calendar year. That remaining time will be paid back to you in your last paycheck in December based on the rate at which it was purchased. The amount you are reimbursed will be taxable in your paycheck. Any applicable contributions to the Retirement Plan and 401(k) Plan will be made at that time.

Q: How can vacation buy time be used?

A: The use of all vacation time requires the approval of your supervisor and must be in accordance with Laboratory vacation policies. When you record the vacation buy hours on your timecard, you will use a special vacation buy code. Vacation buy time can only be used after your regular accrued vacation time has been exhausted. The deadline for use of 2025 vacation buy time is 31 December 2025 for monthly employees and 21 December 2025 for weekly employees.

Q: How do I sign up?

A: New employees sign up for coverage by logging into Workday and electing it. You have 30 days from your first day of employment to change your elections. Such changes will be retroactive to your date of hire. All eligible employees may sign up for coverage during the Open Enrollment period. See the Open Enrollment section for more information.

Q: Can I make changes to my coverage?

A: You can only make a change in your election if it corresponds to a change in the number of hours you are scheduled to work.

Q: Will my election automatically continue into the next calendar year?

A: No. If you want to participate in the program each year, you must enroll each year during the Open Enrollment period. Your election will not roll forward from one year to the next.

Q: What happens when I terminate employment?

A: The benefits will cease on the earlier of the date your employment terminates or the date you are no longer eligible for coverage. Your final paycheck will be adjusted for:
Hours purchased but not used. You will be reimbursed for these in your final paycheck based on the rate at which they were purchased and the applicable tax.
Hours purchased and used but not yet paid for. These will be deducted from your final paycheck based on the rate at which they were purchased.

Q: Where can I get more information on the program?

A: Additional information is available on the web at www.bnl.gov/hr/Benefits/, or through the Benefits Office at, (631) 344-4275, (631) 344-5558, (631) 344-8877 or benefits@bnl.gov.

Health Care Reimbursement Account

We are pleased to offer you a Health Care Reimbursement Account that allows you to pay for a variety of health care expenses on a pre-tax basis, if applicable.

Q: Is enrollment in the Health Care Reimbursement Account voluntary?

A: Yes.

Q: Am I eligible to participate?

A: You may participate as of your first day of employment if you are a regular employee working at least 20 hours per week.

Q: What is the benefit?

A: You may reimburse yourself with pre-tax dollars for eligible out-of-pocket expenses. By paying for expenses on a pre-tax basis, you reduce your income for the purpose of state, federal and Social Security taxes, if any. You estimate how much you expect to spend on unreimbursed health care expenses for the calendar year and have that amount withheld pre-tax from your paychecks throughout the year in equal monthly amounts.

You may either pay for your qualified purchases using the Inspira debit card at the point of service or you can file a claim (online, by paper, or by fax). Claims are processed daily. Certain expenses paid for with the debit card require submission of documentation to substantiate the claim. Unsubstantiated expenses are considered overpayments and must be repaid. You have until 31 March of the following calendar year to submit claims for expenses incurred.

Q: Is there a limit to the amount I can contribute?

A: Yes. You may contribute from a minimum of \$300 to a maximum of \$3,300 in calendar year 2025. (This IRS limit is subject to change.)

Q: Will reducing my taxable salary by contributing to this program affect any other benefits?

A: It may. If your annual salary is below the Social Security wage base, your future Social Security benefit may be reduced.

Q: What happens if I don't use up all the money I have contributed?

A: The IRS requires you to forfeit all amounts that you do not use toward expenses incurred in the calendar year.

Q: What types of expenses are reimbursable?

A: You can be reimbursed for many expenses incurred by you or your eligible dependents that the IRS allows as income tax deductions, but not all items that qualify as a tax deduction also qualify for the reimbursement account. Premiums paid for health care coverage cannot be reimbursed. Eligible expenses include but are not limited to:

- Deductibles and copayments not covered by your medical, dental and/or vision care programs
- Out-of-pocket medical, dental and/or vision care expenses and charges above reasonable and customary levels
- Hearing and vision care expenses such as eye exams, eyeglasses and contact lenses
- Annual physical examinations
- Approved weight-loss and stop-smoking programs, if prescribed by a physician to treat a specific condition
- Over-the-counter medications used to alleviate or treat personal illness or injuries if they are deemed as medically necessary.

You can use IRS Publication 502 at <http://www.irs.gov/pub/irs-pdf/p502.pdf> as a guide, but not all items that qualify for a tax deduction also qualify for the reimbursement account.

Q: Who is an eligible dependent?

A: A dependent for the purpose of the Health Care Reimbursement Account includes your spouse and, in general, a dependent you can claim as an exemption on your U.S. federal tax return.

Q: How do I sign up?

A: New employees sign up for coverage by [logging into Workday](#) and electing it. You have 30 days from your first day of employment to make changes. Such changes will be retroactive to your date of hire. All eligible employees may sign up for coverage during the Open Enrollment period. You may also be eligible to sign up for coverage if you have a Qualifying Event. See the Open Enrollment section and the Qualifying Events section for more information.

Q: Can I make changes to my coverage?

A: Yes. If you have a Qualifying Event, you may be eligible to add or drop coverage at that time. See the Qualifying Events section for more information. You may also change your coverage during the Open Enrollment period, and coverage will be effective 1 January of the following calendar year. See the Open Enrollment section for more information.

Q: Will my election automatically continue into the next calendar year?

A: No. If you want to participate in the program each year, you must enroll each year during the Open Enrollment period. Your election will not roll forward from one year to the next.

Q: Where can I get more information on the program?

A: Additional information is available on the web at www.bnl.gov/hr/Benefits/, or through the Benefits Office at (631) 344-5126, (631) 344-4275, (631) 344-5558, (631) 344-8877 or benefits@bnl.gov, or through Inspira at www.inspira.com.

Dependent Day Care Reimbursement Account

We are pleased to offer you a Dependent Day Care Reimbursement Account that allows you to pay day care expenses on a pre-tax basis, if applicable.

Q: Is enrollment in the Dependent Day Care Reimbursement Account voluntary?

A: Yes.

Q: Am I eligible to participate?

A: You may participate as of your first day of employment if you are a regular employee working at least 20 hours per week and are:

- A single parent who requires dependent day care so you can work, or
- Married and require day care so you and your spouse can work, seek employment, or be a full-time student.

Q: What is the benefit?

A: You may reimburse yourself with pre-tax dollars for eligible out-of-pocket expenses. By paying for expenses on a pre-tax basis, you reduce your income for the purpose of state, federal and Social Security taxes, if any. You estimate how much you expect to spend on dependent day care expenses for the calendar year and have that amount withheld pre-tax from your paychecks throughout the year in equal monthly amounts.

You may either pay for your qualified purchases using the Inspira debit card or you can file a claim (online, by paper, or by fax). Claims are processed daily. Expenses paid for with the debit card require submission of documentation to substantiate the claim. You have until 31 March of the following calendar year to submit claims for expenses incurred.

Q: Is there a limit to the amount I can contribute?

A: Yes. You may contribute a minimum of \$300 each calendar year. If you are married and file a joint U.S. federal tax return or are single, the maximum you may contribute is \$5,000. If you are married and file separate income tax returns, the maximum you may contribute is \$2,500. This IRS limit is subject to change.

Q: Will reducing my taxable salary by contributing to this program affect any other benefits?

A: It may. If your annual salary is below the Social Security wage base, your future Social Security benefit may be reduced.

Q: What happens if I don't use up all the money I have contributed?

A: The IRS requires you to forfeit all amounts that you do not use toward expenses incurred in the calendar year.

Q: What types of expenses are reimbursable?

A: You can be reimbursed for many expenses incurred by you or your eligible dependents that the IRS allows as income tax deductions, but not all items that qualify as a tax deduction also qualify for the reimbursement account. Eligible expenses include but are not limited to:

- Care of a dependent in your home by a paid provider
- Care of a dependent outside your home by a licensed nursery, day care center or summer camp
- Household services, such as a housekeeper, provided some portion of the service is to a dependent.

You can use IRS Publication 503 at <http://www.irs.gov/pub/irs-pdf/p503.pdf> as a guide, but not all items that qualify for a tax deduction also qualify for the reimbursement account.

A relative is considered an eligible provider of dependent day care if he/she is not claimed as your dependent for tax purposes. The provider's name, address, and Tax Identification Number or Social Security Number must be supplied to receive reimbursement.

Q: Who is an eligible dependent?

A: A dependent for the purpose of the Dependent Day Care Reimbursement Account includes:

- A child under age 13 who is claimed as a dependent on your income tax return. Claims incurred on or after a child's 13th birthday will not be covered.
- Any dependent you claim for income tax purposes that requires day care because of physical or mental inability.

Q: Is enrollment in the Retirement Plan voluntary?

A: No. Participation is mandatory once you meet the eligibility requirements to participate.

Q: Am I eligible to participate?

A: You must work at least 1,000 hours per year to be eligible to participate in the plan. Employees who were not participating in the plan on December 31, 2006 will be enrolled upon the earlier of (a) attainment of age 21 and the completion of one year of continuous service or (b) the attainment of age 30 and the completion of 6 months of continuous service.

Employees must have a valid Social Security Number or Tax Identification Number to be eligible to participate in this plan. Such employees who would otherwise be eligible for the Retirement Plan, but do not have a valid Social Security Number or Tax Identification Number or are not US citizens, will not receive a benefit in this plan but will, instead, receive an alternate benefit as described under the "What is the benefit?" section below.

Employees who work on a part-time, temporary or irregular basis must complete 1,000 hours of service each year to be credited with a year of service. Persons with guest or visitor appointments, research associates (including RAs, junior RAs, senior RAs, and research fellows), and student assistants are not eligible to participate in this plan. Additional criteria may apply.

Q: What is the benefit?

A: For employees who are eligible to participate in this plan who were hired or rehired on or after 1 January 2011, the Laboratory contributes an amount equal to 9% of your Base Salary to this plan. You are not required or allowed to contribute to this plan.

You can allocate the contributions between approved investment funds. The list of funds can be found at www.tiaa.com.

For employees who began participating in the plan after 31 December 2006, the money that is contributed is vested as follows: 0% after one year of service, 25% after 2 years of service, 50% after 3 years of service, 75% after 4 years of service and 100% after 5 years of service.

You will receive quarterly statements from TIAA.

Employees who would otherwise be eligible for Retirement Plan benefits, but do not have a valid Social Security Number or Tax Identification Number or are not US citizens, will be provided monthly payments into their paychecks in an amount equivalent to the Retirement Plan benefit indicated below, including application of all limits.

Q: Is there a limit to the amount the Laboratory will contribute?

A: Yes. The Internal Revenue Service (IRS) limits the amount of your annual Base Salary that can be used for the purpose of contributions to the Plan, and such limit is subject to change.

Q: How do I sign up?

A: If you become eligible to participate in the plan, you will automatically be enrolled in the plan in our default investment fund, the TIAA-CREF Lifecycle Fund, based on your year of birth, and your estate will be designated as your beneficiary. You will receive information from TIAA on the Lifecycle Fund and how to change your asset allocation and your beneficiary designation.

Q: Can I make changes to my investment allocations?

A: Yes. You can change your allocation of contributions among the various investment options at any time. If you want to change the allocation, you must contact TIAA directly.

We are pleased to offer you the BSA 401(k) Plan. You can choose to invest 401(k) contributions in approved investment funds.

Q: Is enrollment in the 401(k) Plan voluntary?

A: Yes.

Q: Am I eligible to participate?

A: If you are a full-time employee, you are eligible to participate in this plan as of your first day of employment. If you work on a part-time, temporary or irregular basis, you may participate as of the earlier of 1 January or 1 July following the completion of 1,000 hours of service during the 12 consecutive calendar month period beginning with your date of employment. Persons with guest or visitor appointments are not eligible to participate in this plan. Employees must have a valid Social Security Number or Tax Identification Number to be eligible to participate in this plan.

Q: What is the benefit?

A: This plan enables you to increase your retirement savings in addition to the contributions, if any, under the Retirement Plan. Contributions to this plan are made through regular pre-tax payroll deductions and/or post-tax Roth contributions, if applicable. This reduces your taxable income (pre-tax deductions), so you pay less tax now. All interest and earnings on the money you invest are tax-deferred until you withdraw them in the future. The money that is contributed is 100% vested immediately.

You may contribute up to 75% of your gross pay to this plan. In addition, participants age 50 or over may make additional catch-up contributions to the plan. The maximum catch-up contribution is limited by the Internal Revenue Service (IRS) and is subject to change.

You can allocate the contributions between approved investment funds. The list of funds can be found at www.tiaa.com. You will receive quarterly statements from TIAA.

Q: Is there a limit to the amount you may contribute?

A: Yes. The IRS limits the amount of your annual Base Salary that can be used for the purpose of contributions to the Plan. In addition, the IRS limits the dollar amount that you may contribute each year, including any contributions you may have made to another employer's retirement plan during the calendar year. These limits are subject to change.

Q: When can I sign up?

A: You may sign up at any time.

Q: How do I sign up?

A: Log into Workday, Benefit, Change Benefits, Benefits Allowed to change at Any Time, Mange Benefits, Enroll in 401k and enter the percentage of your salary you want to contribute. This is called your salary reduction percentage. If you are age 50 or over during this calendar year, you will also have the option to do catch-up contributions.

Q: Can I make changes to my investment allocations?

A: Yes. You can change your allocation of contributions among the various investment options at any time. You can change the percentage you are contributing to the plan once each calendar month. This includes a change from no contributions to starting contributions and vice versa. You can, however, cease your contributions at any time.

If you want to change the allocation of your investments, you must contact TIAA directly. If you want to change the percentage you are contributing, log into Workday, Benefit, Change Benefits, Benefits Allowed to change at Any Time, "Lets Get Started" Mange Benefits, Enroll in 401k and click Confirm and Continue and update your contribution. There is also a Job Aid located on Workday to guide you.

Q: Can I make changes to my beneficiary(ies)?

A: Yes. To change the beneficiary(ies) for your 401(k) Plan you must go to www.tiaa-cref.org/bnl.

Q: Are loans available from the plan?

A: Yes. Loans are permitted from a participant's TIAA accumulations in this plan.

Q: Are withdrawals available from this plan?

A: Withdrawals are permitted from this plan if:

- The participant retires, dies, or terminates employment or
- The participant attains age 59 ½ or
- The participant incurs a financial hardship. (Restrictions apply.)

Q: Does this plan accept rollover contributions from other plans?

A: Yes. A participant may make rollover contributions to this plan upon providing proof that the contribution is eligible for transfer to this plan. Transfers from the following plan types are eligible: 401(a), 403(a), 401(k), 403(b), 457(b) or conduit IRAs (pre-tax).

Q: What coverages can I change if I have a Qualifying Event?

A: For the Aetna International Healthcare Plan, you may be eligible to add or delete dependents, or add or drop coverage. For the Reimbursement Accounts, you may be eligible to make changes to your contributions for the remainder of the calendar year. The change(s) in coverage that you request must relate to the change that affects eligibility for coverage.

Q: Are there any other circumstances under which I can enroll myself or a dependent?

A: Yes. Based on the provisions of the Children's Health Insurance Program Reauthorization Act of 2009 (CHIPRA), employees and dependents that are eligible but not enrolled for BSA health insurance plan coverage may enroll for coverage if one of the following conditions is met:

- The employee or dependent loses eligibility and is terminated from Medicaid or CHIP* coverage or
- The employee or dependent becomes eligible for a premium assistance subsidy under Medicaid or CHIP*.

* CHIP (Children's Health Insurance Program) is a state program designed to provide health care coverage for uninsured children and some adults.

Q: How do I change my coverage(s)?

A: To change your coverage(s) when a Qualifying Event has occurred, you must update your benefit elections by logging into Workday within 31 days after the date of the Qualifying Event for all items indicated above, except (a)(3), (a)(4) and (e). [60 days applies for items (a)(3), (a)(4) and (e).] Employees who qualify under CHIPRA have 60 days after the date of the termination of such coverage or eligibility for a premium assistance subsidy to notify the Benefits Office. You will be required to upload proof of the Qualifying Event. Your employee premiums (for Aetna International Healthcare Plan coverage) and/or your contributions (to the Reimbursement Accounts) will then be changed for the remainder of the calendar year.

Q: When are coverage changes effective?

A: If you change your benefit elections and upload proof of the Qualifying Event in Workday within the applicable period, the change in coverage will become effective as of the date of the Qualifying Event.

If a dependent is no longer eligible for coverage and you do not remove that dependent from your coverage within the applicable Qualifying Event period, his/her coverage will end as of the date he/she is no longer eligible.

You must change your benefit elections within the applicable period for addition of an eligible dependent. If you only notify Aetna International Healthcare directly, we may be unable to make the change until the next Open Enrollment period.

Q: When is the Open Enrollment period and what changes can I make?

A: Refer to the Open Enrollment section.
