

Nanoscience Opportunities for the High Tech Industry

9:00 am to 4:30 pm, November 13, 2007

Program

- 8:30 am Arrival and Registration
- 9:00 am Welcome to participants
 Doon Gibbs, BNL Deputy Director for Science and Technology
- 9:05 am The CFN: a user-oriented research center
 Emilio Mendez, CFN Director
- 9:20 am The CFN's facilities
 Chuck Black, Group Leader, Electronic Nanomaterials
- 9:40 am The Nanotechnology industry
 Martin Moskovits, CTO API Nanotronics
- 10:10 am Nanotechnology and venture capital
 Scott Livingston, Axiom Capital Management, New York
- 10:30 am Coffee Break
- 11:00 am Nanoscience at the CFN
 Peter Sutter, CFN Group Leader, Nanocatalysis
- 11:20 am Nanoscience at the National Synchrotron Light Source
 Ron Pindak, NSLS Deputy Director
- 11:40 am The Users' Program
 Grace Webster, Users' Program Coordinator
 To Be Determined, CFN User
- 12:00 noon Intellectual property at the CFN
 Kimberley Elcess, BNL Intellectual Property Department
- 12:15 pm Lunch
- 1:30 pm Tours of the CFN facilities
- 2:30 pm Individualized discussions with CFN facility leaders and scientists
- 3:30 pm Collective discussion and feedback from participants
- 4:30 pm Summary and closing words
