

Workshop for INDUSTRY RESEARCHERS

Tune in and see how to advance your research with Brookhaven's world-leading facilities

December 14-17, 2020
Brookhaven National Laboratory

Do you have an R&D challenge that you can't solve with traditional commercial techniques?

We have the expertise to address your R&D questions with unique capabilities offering exquisite sensitivity and resolution.

In this specialized virtual workshop, we offer access to unique x-ray, electron and optical techniques, which are designed for understanding materials in unprecedented ways.

Let's work together to solve your R&D challenges!
