## Search Instructions

**NOTE:** All of the files on this CD are in PDF format. **To use the SEARCH feature**, you must have at least Adobe Acrobat Reader (6.0). If you have not already installed Adobe Acrobat 6.0 or later, close this document, take the CD out of the drive and put it back in again. Then click Step 1 and follow the instructions to install Adobe Acrobat 7.0.

### To search Adobe PDF documents on this CD:

1. Click the Search Tool  on the menu above or choose Edit -> Search. This will open the Search PDF pane on the right side of the document. In the top box ("What word or phrase would you like to search for?") type the word or phrase you would like to search for.
2. For the "Where would you like to search?" section, click the "All PDF Documents in" radio button. Using the drop down box, choose "Browse for location" and in the pop-up window choose the location of your CD drive and then the "pdf" folder and click "OK".
3. Click the Search button.

The results appear nested under the document names and paths.

**Note:** If you want to halt a search, click the Stop button.

### To review the results of your search:

1. In the Search PDF pane, click the plus sign (+) next to a document name to expand the list of results for that document.
2. Click one of the results. This opens the document, to the appropriate page and highlights the occurrence.

You can sort the results of the search in a number of ways. Select an option from the Sort By menu near the bottom of the Search PDF pane. The results are listed in the order in which you selected. Results can be sorted by Relevance Ranking, Date Modified, Filename, or Location.
