# Quantum Information Science (QIS) Career Fair

## SAVE THE DATE

**Wednesday, September 13, 2023**  
**11:00 A.M. – 5:00 P.M. EDT**  
(VIRTUAL EVENT)

Join the Quantum Information Science (QIS) Career Fair to hear from experts in the field, build your professional networks, get your questions answered, and meet one-on-one with potential employers.

Undergraduate and graduate students and post docs are invited to learn about the U.S. Department of Energy's Office of Science's National QIS Research Centers and explore the wide range of careers in the field. We will showcase opportunities available within the Centers, national laboratories, academic institutions, and industry to help start you on your career path.
