

NSLS II FY 2016 ESH IMPROVEMENT PLAN

PREPARED BY ANDREW ACKERMAN

This document defines the actions planned for FY 2016 for improving the NSLS II ESH programs.

Improvement Goals for FY16

- 1) Implement rf ID tags for CMS tracking.
- 2) Complete 20 ESH surveillance cards. Emphasize 'laceration' and 'walking and working surfaces'.
- 3) Implement Environmentally Preferable Purchasing (EPP) guidelines.
- 4) Implement Electronic Product Environmental Assessment Tool (EPEAT) purchasing requirements for computer purchases.
- 5) Complete trip simulator training for 75% of NSLS II staff.
