This form is to be completed by the student and e-mailed along with the project. Do not put your name or school name on this page.

Title of Project: ____________________________________________

Objective (what I intended to accomplish): ________________________________
_____________________________________________________________________
_____________________________________________________________________
_____________________________________________________________________
_____________________________________________________________________

Procedure (what steps I followed to prepare): ______________________________
_____________________________________________________________________
_____________________________________________________________________
_____________________________________________________________________
_____________________________________________________________________

Conclusion (what I learned): ____________________________________________
_____________________________________________________________________
_____________________________________________________________________
_____________________________________________________________________
_____________________________________________________________________

SUMMARY OF PROJECT
Brookhaven National Laboratory
Elementary School Science Fair
Project Requirement Checklist:

- Projects must follow the scientific method or the engineering design process.
- Nothing on the project may identify the child, child’s gender, or school. This is including, but not limited to, photos, journals, labels or titles. Journals are encouraged providing they do not identify the student.
- Size of project cannot be bigger than standard cardboard project boards (36 x 48”) available at many retail locations.
- Any project deemed to be unsafe or inhumane in any way will not be displayed at the Brookhaven National Laboratory (BNL) Science Fair and will not be judged. Live animals cannot be exhibited at the BNL Science Fair, but photographs are acceptable.
- Each project must include the completed Summary of Project form (front of this form) submitted with the project.
- The project must clearly reflect the students' own efforts. If adult support is given, it should be acknowledged on the display.
